study an important contribution to the field Those studying modernism in general will see in Sicari s definition of the modern epic useful ways to study the other great achievements of high modernism especially those of Yeats Eliot and Joyce Those interested in the relation between literature and politics will find this book especially informative for Sicari is one of the few critics on Pound who does not ignore Pound s politics or simply castigate him for the unfortunate views he adopts and advocates The analysis of Pound s fascism is a sub theme that sheds new light on how politics enters a great modernist poem and affects its shape and intention
