of faith is found in Norman Percy Grubb He looked the ordinary man such as any ordinary man but he had discovered the keys of the kingdom faith and shared it with all As you read his letters you too will find a remarkable yet very human person who spent a lifetime seeking God's face believing by virtue of the absurd and relentlessly sharing in every way possible that which God had given him The world will not always recognise the true knight but he is there butcher baker or candlestick maker or a housewife with a vision of the impossible Faith and You, Volume 2 Terry Pluto, 2012-10-26 More from the sportswriter who writes about faith Here's a second helping of Terry Pluto's plain and personal musings on topics we all face in everyday life insults and what they really mean prayers that don't seem to get answered endless sibling rivalry figuring out how to relate to our fathers My goal is not to convert anyone reading the paper Terry writes It is to make them think and to bring some comfort I write for people who are struggling with faith or people in pain physical or emotional My job is to give them a voice and to talk about the kind of faith we need to get through what life throws at us each day Terry already had a dream job getting paid to write about sports for a daily newspaper But when the opportunity arose to write about more spiritual topics he embraced the challenge Readers are glad he did His Faith and You column now regularly touches the lives of thousands of loyal readers Terry writes for people who aren't always confident in their beliefs but know faith is still important to them For people who sometimes get mad at their church or disagree with their pastor yet don't want to lose the spiritual side of their lives For people of different faiths or backgrounds or who aren't even sure they're religious These essays don't claim to have all the answers But the questions they raise give readers something to think about all week
