Moonshot Amy Elizabeth Gordon MA, 2019-06-18 Amy's transformational memoir explores the journey from despair to repair and serves an invitation to us all to understand the distinctions of an extraordinary life through the lens of resilience compassion and service What was it like living in a culture devoid of rites of passage other than binge and puke and spread your legs Naturally my heart hurt my soul ached and my spirit floated lost From this place of intensity I developed incredible resilience This is what happened settling into sobriety grounding into gratitude and cultivating a compassionate heart my mind cleared my heart opened my spirit reactivated and my energy expanded This is what it's like now breathing aloha into every moment recognizing our interdependence and claiming responsibility as a source for transformation naturally my grateful heart has more blessings than I can say grace over Equal parts lyrical confessional and practical Amy Elizabeth vulnerably uses her own journey through addiction and trauma to inspire readers to move beyond limiting beliefs and heal from the past Alicia Munoz author of No More Fighting 20 Minutes a Week to a Stronger Relationship Moonshot is an elegant

and visceral memoir that dares one to question one's own resilience and courage. Indeed, Amy Elizabeth is as transparent as she appears in these pages. Love the interactive curriculum and its usefulness. Kekuhi Keali'ikanaka, oleohaililani, trainer, Halau Ohi'a. This work is the bridge between despair and repair. It is an invitation for women to tenderize our own hearts and to craft a new heart-centric story, the true story of who we are at our core. Kristen Noel, editor in chief, Best Self Magazine.

Nature did not design us to be alone. Evidence shows that people who enjoy close, fulfilling relationships with others are happier, healthier, and more creative. If this does not prompt you to the wonderful Moonshot, please reconsider. Highly recommended. Larry Dossey, MD, author of *One Mind: How Our Individual Mind Is Part of a Greater Consciousness* and *Why It Matters*. What an enchanting, captivating, beautiful, practical book. Based in personal experience and penetrating prose, Moonshot is meant for anyone who needs more love, empathy, and compassion in their life and who doesn't. Let Amy be your guide to a richer, deeper commitment, not just to others but to the world. Barbara Montgomery Dossey, RN, PhD, FAAN, author of *Florence Nightingale: Mystic Visionary, Healer, and Holistic Nursing: A Handbook for Practice*. *Relational Christianity* Wesley M. Pinkham, 2022-06-21. This work begins with a transformative idea: human existence is fundamentally relational. Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life. Utilizing Scripture, Christian spiritual tradition, and philosophy, Pinkham and Gruenberg paint the picture of a Trinitarian, Jesus-centered Christianity, led by the Father and explored in interpersonal oneness. In this view, God's intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God's movement in history. This work of Trinitarian practical theology suggests that the relation between Father, Son, and Spirit should shape and guide all Christian interactions with God, with others, and with self. In the paradigm of relational Christianity, the formation of genuine personhood and identity are based upon relational connections, first with the Trinity and second with God's family. The shape of the new covenant community must reflect the Father's nature. Church culture must prioritize relationship in the same way the Trinity does. *Meditations of My Heart* Henry Laskey, 2014-07-02. In this book, you will find poems about home, marriage, love, family, fun times, holidays, hunting, fishing, outdoor activities, and people. You will read of happiness, sadness, and reminiscing. You will read about character values such as honesty, friendship, helpfulness, justice, greed, and gossiping. You may also find some nonsense and humor in these pages. These poems were written by my father, Sam Laskey, 1903-1985. Dad worked hard to raise eight children, born from 1926 to 1941, during the Great Depression years. Out of necessity, Dad was a man of many talents. He sewed dresses from chicken grain sack material for the girls. He made moccasins from felt for us to wear inside of our boots. He cut hair, soled shoes, and patched boots. He tied his fishing flies and made his spinners. He filed saws and made peep sights for hunting rifles. Dad retired in 1965 due to ill health. *The Infinite Wisdom of Harriet Rose* Diana Janney, 2010-02-04. The Infinite Wisdom of Harriet Rose is a brilliantly original and poignant novel for our time. Harriet Rose, like any other teenager, is naive, overconfident, and has always felt she has something important to say. However, unlike

most of her peers her hero is Marcus Aurelius in imitation of whom she has been composing philosophical reflections on life for some time When Harriet's father dies the urge to write these meditations is greater than ever Then on her fourteenth birthday she receives a unique gift Her doting mother and grandmother have had her by now substantial collection of meditations published Having appointed themselves roles Mother publicist Nana sales rep Harriet esteemed author they vow to get the book into the hands of a wide readership Once this formidable team gets into gear there's no holding back and Harriet is hurled into a lifestyle that not even she in all her infinite wisdom could have been prepared for Bookshop orders soon stack up and Harriet is plunged into a whirlwind of launch parties newspaper coverage and television appearances But is all this attention exactly what she thinks And more importantly can her happiness or her naivete last *Bharatanatyam, Yesterday, Today, Tomorrow* ,1985 Contributed articles
