You Are in the Bible Carole M. Lunde, 2008-04-27 How can it be that you are in the Bible It is a mirror in which you can see yourself The Apostle Paul said we would see dimly at first and then face to face When you spiritually interpret what you read in the Bible you will more clearly understand your amazing relationship to God The Bible is an enjoyable reference book for your life once you have some tools with which to bring to light its true meaning It is also a sacred text written by inspired teachers who expressed it in the context of the ancient civilization in which they lived And yet it is the story of your inner development as well Metaphysical or Spiritual Interpretation is the clearest most uplifting and useful way to understand the Bible s message to you [You Are in the Bible](#)

Carole Lunde, 2016-04-22 Did you awaken one day to your spiritual nature and wonder how you got there The flower grows from a seed in the physical ground pushes up toward the sunlight growing a stem and leaves that reach for the light and suddenly it blooms It is a beautiful bloom that is nothing like the stem leaves seed and ground it came from A friend asked if the flower is as surprised when it blooms as we are when we suddenly step into the light of our spirituality Would you like to explore your own development mirrored to you by the deeper meaning of the Bible events and stories The Bible gives us a clear pathway a highway not a confusing tangle of byways that lead nowhere This is what Isaiah was telling us in Chapter 40 3 In the wilderness prepare the way of the Lord make straight in the desert a highway for our God Every valley shall be lifted up and every mountain and hill made low the uneven ground shall become level and the rough places plain And the glory of the Lord shall be revealed and all flesh shall see it together for the mouth of the Lord has spoken Navigating the Bible through

metaphysics leads you book by book chapter by chapter and sometimes verse by verse on that highway of psychological development from infancy to the gates of spirituality that open into the Gospels There Jesus leads us forward with the example of his life and teachings showing us the kingdom of heaven The Apostle Paul sees the Christ nature in each of us and endeavors to live it every day Then we reach the book of Revelation We trod the final steps to the New Jerusalem the Christ consciousness where we shed all earthly limitation and are totally prepared for God to return us to our true home

Finding Home in the Fourth Dimension Carole M. Lunde, 2017-12-22 This book is about finding home in a world that obscures the spiritual nature of it the fourth dimension Beckys journey is my journey The character herself is fictional but her life experiences thoughts and feelings are mine The other characters are from my life but are given other parts to play in the story The setting begins in 1986 Becky and her friends make their way through careers growing beyond challenges of their past that limit them into spirituality freedom and beyond These characters brought up hidden emotions I didnt know were still there As I created the characters they taught me to look again at my responses to life with courage love and gentle humor I thank Becky and her friends for giving me gifts I could not have found within myself without them I gave them life though only on paper and they returned the favor by imprinting themselves on my heart In Philippians 3 13 it says Forgetting what lies behind and straining forward to what lies ahead I press on toward the goal for the prize of the upward call of God Spirituality is our nature the fourth dimension is our home *Stories from Martha's House* Rev. Carole M.

Lunde, 2009-05-06 Luke 10 38 Now it came to pass as they went that he entered into a certain village and a certain woman named Martha received him into her house This short story in the Book of Luke indicates that Martha Mary Lazarus and Jesus were dear friends It is possible they met at her house often There is a middle eastern tradition of hospitality to strangers So it is also possible travelers were accorded hospitality at Marthas as well I chose Marthas house as the place where stories were shared and expanded those stories It is exciting to flesh these stories out with characters that might have been there telling their stories as well These stories are fun and interesting to read and they make great dramas Read and enjoy them or create dramas from them You will receive a perspective on the Bible that is both thrilling and personally enlightening

Deborah, Judge, Prophetess and Seer Carole M. Lunde, 2013-06-26 Judges 4 4 Now Deborah a prophetess the wife of Lapidoth was judging Israel at that time She used to sit under the palm of Deborah between Ramah and Bethel in the hill country of Ephraim and the people of Israel came up to her for judgment This is the extent of what we know about Deborah before the battle with Sisera Judges 5 is a poetic rewrite of Judges 4 with the added story of Siseras mother who waits in the window of her palace for her son to come home The woman waiting in the window is a motif used in many writings to indicate a woman of great power Here are two powerful women whose stories are so brief as written but beg for a larger look at their lives Biblical fiction is a wonderful way to flesh out their stories leading up to Judges 4 and 5 How did Deborah grow up How did Barak grow up Deborah was in Ephraim and Barak in Kadesh Naphtali some sixty miles

apart How did they know each other How did Deborah learn of scriptures and battle plans in a society where neither of these areas were open to women

Veenema MDiv.,2022-12-30 How can the God of the Old Testament be the same God of the New Testament With an evolutionary lens there is a reasonable answer to this question At every stage of development we can have an inspired understanding of the Divine but our perception will be configured by our worldview or value system Like transparencies on an overhead projector in this book we overlay two valuable tools the model of the Documentary Hypothesis and the model of Spiral Dynamics enabling us to view the God of the Hebrew Scriptures from an Integral perspective This book invites you to make peace with

the God of the Old Testament while honoring the ancients It helps you release the dogma of religion and gives space for you to evolve your understanding of God and awaken to an integral acceptance of the inevitable and necessary stages of human development *Genesis: Your Journey Home, 2Nd Edition* Terry L. Newbegin,2011-04-21 Genesis Your Journey Home is a groundbreaking book that goes far beyond the usual levels of biblical interpretations and the ideas taught by religion that are difficult to understand It bypasses word definition root studies historical explanations and the ideas taught by religion that are difficult to understand but are important This book examines the first twenty five chapters verse by verse exploring and revealing the deeper metaphysical beyond the literal meaning of the text Most people know that there are multiple levels of truth contained within the Bible but until now none have brought forth the ultimate Truth hidden within the mundane semi historical writings Rather than creating new doctrines this book gently peels back ALL levels of dogmatic views to reveal the true core essence of God humanity and the nature of reality Deep within the ancient biblical text is found the true story record of creation the reason for our very existence and the history of All That IS This book is for those that are searching for authenticity purpose and a sense that truth lies somewhere beyond religious teachings but who are reluctant to discard the inherent value of scripture This book brings comfort personal empowerment a new understanding of God and fosters a renewed sense of responsibility for life It is a book whose time has come at last as it brings humanity to a deeper understanding of God and a realization of their ultimate purpose *The Father Confusors* Renford,2010-09-15 The author has published many books articles and essays that take a metaphysical approach to interpreting ancient texts such as the Vedas the Dhampravada the Tao Teh Ching and the Bible He follows no theological dogma nor adopts any philosophical school He teaches in the Renford books and in the Institute of Applied Metaphysics that taking a single approach to exclusion of any other will not produce an accurate picture Some text must be taken metaphysically some as historical and some as physical events in which the witness had little or no point of reference comparable to ours In any other approach one will be interpreting based on a fixed religious tradition or a philosophical bias We have seen many varations on the idea that alien intervention has taken place in our ancient history but this author has gone into greater depth on the difference between Universal Being and the warrior gods depicted in the ancient texts *Genesis* Terry L. Newbegin,2008-08-06 Genesis is not just the story of Adam and Eve it s your own story and a roadmap helping you understand why you are here and how you can return home *A Complete Concordance to Science and Health* Albert Francis Conant,1903
