You Aughta Write A :

Catch a Wave Peter Ames Carlin, 2007-06-26 Brian Wilson was the visionary behind America's most successful and influential rock band. As the leader of the Beach Boys, he sold 100 million records and built a catalog of songs that continues to define the sound and feel of American popular music. He also became one of the culture's most mysterious and tragic figures, but after spending years lost in a wilderness of despair, Wilson has fought his way back to productivity. Now, journalist Carlin, who conducted in-depth interviews with dozens of sources and listened to hundreds of hours of unreleased studio recordings and live music, tells a uniquely American story of the band, the music, and the culture. The Beach Boys both sang about and helped create. From publisher description **A Stretch on the River** Richard Bissell, A Mississippi river yarn about the crew of a towboat at the beginning of WW II. Bissell tells it like it is. This is how they talked, this is how they lived, and sometimes eloquently and tenderly, this is how they died. Unerringly and with great authenticity, Bissell tells the story of the river and why it grips the men who love it. **Dreaming in Dangle** James Lannan, 2015-09-26 The Otis brothers' story picks up where it left off in the final chapter of the novel entitled *They Stole My Car*. Robert, the elder, trades punches with Vera, the Vamps' thug husband, at the Vulture Bar in Mercy Valley, while Henry, the younger, and his wife Holly, as yet unsure whether her husband has regained sanity, head north across Mexican desert toward their home in Dangle, Wyoming. Holly will soon learn that she is pregnant but be unable to determine with certainty which brother fathered her child. She can't stand the sight of Robert, and her trust in Henry is sorely tested after he begins work on the night shift at a treatment center where a sixteen-year-old delinquent convinces him that reality is composed of dreams. Could be the young lady's right, but even in dream world, Henry must confront his brother, who meanwhile has embarked upon shady real estate schemes designed to cheat a longtime friend out of a sizeable inheritance. Vera comes to Dangle, Robert moves her into his apartment, the estranged husband shows up unannounced in the mood to butt heads again. But that's Robert's nightmare, not Henry's. Younger brother only wishes his sibling would forsake paternal claim on the baby. Holly's desire is to a greater degree terminal. In her world, there will be no peace until Robert ceases to exist. **Billboard**, 2007-07-21 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand. Tab Hunter Confidential Tab Hunter, Eddie Muller, 2025-05-01 Mesmerizing The New York Times Book Review Welcome to Hollywood circa 1950 the end of the Golden Age A remarkably handsome young boy still a teenager gets discovered by a big time movie agent Because when he takes his shirt off young hearts beat faster because he is the picture of innocence and trust and need he will become a star It seems almost preordained The open smile says You will love me and soon the whole world does The young boy s name was Tab Hunter a made up name of course a Hollywood name and it was his time Stardom didn t come overnight although it seemed that way In fact the fame came first when his face adorned hundreds of magazine covers the movies the studio contract the name in lights all that came later For Tab Hunter was a true product of Hollywood a movie star created from a stable boy a shy kid made even more so by the way his schoolmates both girls and boys reacted to his beauty by a mother who provided for him in every way except emotionally and by a secret that both tormented him and propelled him forward In Tab Hunter Confidential The Making of a Movie Star Hunter speaks out for the first time about what it was like to be a movie star at the end of the big studio era to be treated like a commodity to be told what to do how to behave whom to be seen with what to wear He speaks also about what it was like to be gay at first confused by his own fears and misgivings then as an actor trapped by an image of boy next door innocence And when he dared to be difficult to complain to the studio about the string of mostly mediocre movies that were assigned to him he learned that just like any manufactured product he was disposable disposable and replaceable Hunter s career as a bona fide movie star lasted a decade But he persevered as an actor working continuously at a profession he had come to love seeking and earning the respect of his peers and of the Hollywood community And so Tab Hunter Confidential is at heart a story of survival of the giddy highs of stardom and the soul

destroying lows when phone calls begin to go unreturned of the need to be loved and the fear of being consumed of the hope of an innocent boy and the rueful summation of a man who did it all and who lived to tell it all **The Billboard Guide to Writing and Producing Songs That Sell** Eric Beall,2009 Presents an approach to opening doors in today s music industry explaining how a song becomes a hit what makes a single and the formula for creating a hit with exercises to hone skills and expose talents **Billboard** ,1995-09-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
