Struggling and Suffering Jesus Esquivel,2025-10-10 This book is about addressing issues that are holding us back keeping us stuck suffering and struggling There is hope The Bible has all the answers we need for biblical living and dealing with core psychological issues in a healthy way God meets our spiritual and psychological needs but we don t always see that when we are struggling or suffering In Bible times people didn t have psychology it s true but they had God s word and God knows what men women and children need to grow from infancy to mature adults We can t oversimplify people s problems and just ask them to pray more to solve deep rooted core issues because people and problems are complex We need to be careful to not reduce issues to one simplistic cause but rather understand that there are many causes our past traumas social and psychological influences etc God used prophets priests and leaders to counsel to encourage to teach In fact God gave a whole book on wisdom on how to deal with life Jesus counseled or talked and taught to people gave them truth and perspective about life and helped them to cope better This book takes an integrative approach to solving problems looking at our self worth and how the Bible and psychology work together to address the whole person whom God created *Walking Tall In Tough Times* GREAT IGWE,2019-07-30 Out of nowhere the storms of life hit us without warning The loss of a loved one a broken relationship loss of a job and properties A terrible accident illness or the failure of a business This is tough challenges that people all over the world are being confronted with daily in their respective life We don t have the power to choose what happens to us neither can we as humans choose the nature and severity of the problems and challenges that confronts us every day But one thing we sure can do and has the power to control is the way we respond to these challenges and how we fight through it Life is like an ocean and every one of us are born sailors sailing through this ocean Everybody shall one day encounter a storm be it

the wealthy the educated the poor the uneducated the single or married the sick or healthy The storms of life is not a respecter of race religion or country of birth but rather a respecter of courage boldness persistent firmness of purpose and positive attitude Walking tall in tough times is a book that will certainly arm and spur you to take tough decisions and actions necessary to bring about a change in your life It will also help you change your negative perceptions and response to the challenges you are going through and put you on a part to true success The principles and practical steps that are outlined in this book is not based on head knowledge but rather are founded on experiential knowledge and scriptural examples that will certainly leave transformed This book will undoubtedly stir you to leave your comfort zone to your rightful place of influence and power It will forge you to become uncomfortable with mediocrity and average existence Buckle up as I take you through this journey of self freedom and reawakening Happy read *Shamanic Secrets for Material Mastery* Robert
