Shawn Amador, Eleni Liossis

You Are A Social Detective:

You are a Social Detective! ,2009 **You are a Social Detective!** Michelle Garcia Winner,Pamela Crooke,2008-01-01
You Are a Social Detective Explaining Social Thinking to Kids **You Are a Social Detective! Teaching Curriculum & Support Guide** Pamela Crooke,Michelle Garcia Winner,Kari Zweber Palmer, Long Detailed Bring social emotional learning into the classroom Thousands of schools clinics and homes have found the award winning storybook You Are a Social Detective Winner Crooke 2020 to be a practical engaging addition to their libraries While simply reading the storybook is educational the social and emotional concepts are ripe for deeper teaching in whole class and small group settings Piloted and tested over years in large school districts the You Are a Social Detective Teaching Curriculum and Support Guide is just the tool you need to bring this important social emotional learning SEL into the classroom Help your students become Social Detectives with this easy to use curriculum that fits into your current teaching day Designed as a companion guide to teach the concepts explored in You Are a Social Detective more deeply this curriculum provides 10 structured lesson plans and visual tools to support building students social attention social interpretation and self awareness Discover practical strategies for teaching students to define social situations make smart guesses and uncover hidden social expectations The concepts taught in these 10 lessons support the SEL areas of self awareness self management social awareness relationship skills and problem solving for decision making Each chapter is a lesson plan that includes Big picture context for each lesson Lesson objectives Key vocabulary to emphasize Suggestions for how to introduce the lesson Discussion prompts Extension activity ideas with photo examples Writing prompts to extend the learning Appendices includes downloadable and printable activity visuals Thinksheets for each lesson a family letter template a professional letter template a literature resource guide and writing prompts to expand teaching Also availableincluded Supplemental PowerPoint Visual Teaching Visuals Tools available online for curriculum purchasers Each lesson has a short teaching PowerPoint to make your lessons come alive with visuals from the storybook and Turn Talk activities Also available are downloadable and printable Thinksheets from the curriculum These online tools can be used to support large group small group or tele education The multiple award winning You Are a Social Detective is the first book in the Superflex series It teaches social learners the power of observation reading context and interpreting clues to figure out how to respond in ways that meet their social goals **You Are a Social Detective!**
Michelle Garcia Winner,Pamela Crooke,2021-01-04 The social world is a big complicated place We are all social detectives as we observe gather and make sense of the clues within different social contexts settings situations and the people in them to figure out the hidden rules for expected behaviors This leads us toward understanding how we each feel and think about others in a situation and how we choose to respond to each other s actions and reactions We are good Social Detectives when we use our eyes ears hearts and brains to figure out what others are planning to do next or are presently doing and what they mean by their words and actions This revised expanded 2nd edition of the awarding winning storybook teaches from the

social learner's perspective about the power of observation reading context and interpreting clues before choosing how to respond in ways that meet their social goals A new structured approach to observation new illustrations reflecting a broader range of inclusion and diversity in characters practice pages and activities for deeper learning specific teaching tips and a glossary of Social Thinking Vocabulary and concepts are just some of the new material you'll find inside This is the first book in the Superflex series It guides readers on a journey of discovery where they can Learn formulas for gathering clues by observing a setting situation and people in it Be empowered to figure out how the social world works through their own detective lens Learn to identify feelings and emotions and connect them to behaviors Understand that all feelings are okay even uncomfortable ones and we can still learn and grow Get support from emojis and special word banks Find core Social Thinking Vocabulary words highlighted throughout to support and strengthen key learning concepts Have numerous opportunities to make smart guesses about hidden social rules in various situations See examples and tips for school home and community life Celebrate how all of us are social observers who are affected by others actions and reactions

Social Detective Academy Jeffrey E. Jessum, 2022-05-09 A few years ago Johnny Multony transformed from not fitting into a socially savvy kid started the first ever social detective agency He was hired by other students in his school for help with common interpersonal dilemmas such as cliques dealing with disappointments bullying personal space friends body language and much more Now an opportunity of a lifetime Johnny Multony has opened the Social Detective Academy And YOU have been invited During your time at the Social Detective Academy you will learn some of the most important things a social detective needs to be aware of Learning these things will help you become a skilled social detective capable of helping others solve their social mysteries just like Johnny But even more than that you will learn the tools for becoming a social ninja capable of navigating some of the most complicated social mysteries that you might face in your own life The truth is that some of the best social detective training involves learning how to be more socially skilled yourself If you can effectively navigate your own social world you will be much more capable of helping others become successful in their own social journeys This is how Johnny's first students learned to become excellent social detectives themselves by practicing solving their own mysteries Throughout this book you will have the opportunity to test your skills by trying to solve social mysteries alongside some of Johnny's first students These mysteries came directly from these students' personal lives and show how they used their social detective skills to make their own social lives better As you read through the chapters see if you can use the tools you are learning to identify social mysteries you might have in your own life Some of the ideas in this book are going to be pretty easy and straightforward You will probably understand them with very little effort But some of the things we will be talking about might seem a little more complicated at first If there is something that you don't quite get right away don't worry about it That is to be expected Just keep going and don't let it hold you back You can always come back to it later on If you don't fully understand something you will still be able to understand later things in the book In fact some of the things in this book will

probably make even more sense as you read later parts of the book so if something is not completely clear keep reading on and come back Johnny actually encourages his social detective students to come back and reread things even if they understood them the first time because rereading about important ideas can help you to have a deeper understanding Each chapter will also have a social detective concept summary at the end These summaries are there to help you organize the most important concepts in each chapter They serve as a good reference guide to come back to if you need to refresh your memory later on

Superflex Takes on Glassman and the Team of UnthinkaBots, 2nd Ed. Michelle Garcia Winner, Stephanie Madrigal, Pamela Crooke, 2023-04-07 Superflex Takes On Glassman and the Team of UnthinkaBots introduces readers to a very persistent and sneaky Unthinkable or UnthinkaBot named Glassman sometimes called Glassy This imaginary character can be found in the brains of many of Social Town citizens both kids and adults alike Glassman confuses people's understanding that problems come in different sizes And Glassman's powers can get citizens to have big reactions when problems are small This story is about a boy named Aiden and his adventures as he transforms himself into his own superhero Superflex to help his classmates who are regularly visited by Glassman The kids as well as the readers learn strategies from the Superflex Academy to figure out different sizes of problems and reactions They learn to use calming self talk and other strategies to find their Superflex inside and manage Glassman This engaging book is part of our Social Detective Superflex series which is designed to help children learn about their own and others thoughts and behaviors and practice strategies for self awareness and self regulation across a variety of situations As kids learn strategies to manage their UnthinkaBots they strengthen their flexible thinking and are better able to self regulate in challenging times

Let's Solve It! Step-by-Step Problem Solving with Kids, Teaching Guide Michelle Garcia Winner, Pamela Crooke, 2025-09-22 This teaching guide is a companion to Let's Solve It Step by Step Problem Solving with Kids Storybook 1 and 2 each of which are sold as separate ebooks The teaching guide includes corresponding Let's Solve It LSI and We Solved It WSI fully downloadable problem solving templates to help guide discussions and teaching of the 20 story pairs included in Storybook 1 and 2 Complete the LIS problem solving template after reading the LSI version of the story then complete the WSI problem solving template after reading the WSI version to discuss how the same social problem was avoided or solved and how various actions and responses impacted different characters thoughts and feelings While its importance is often overlooked the role of self regulatory social problem solving is a cornerstone of academic and career success By working through the templates together after reading each story students benefit by having a clear step by step systematic way to make sense of problems in context The templates explore problem solving by asking questions that engage self awareness situational awareness interpretation of what is happening understanding of a person's options to decide what to do or say or not do or say and then responding in the manner that encourages their desired outcome Ultimately students learn how we are all part of socially responsive community that what we all do and say impacts those around us Downloadables What's included To

make teaching easier all the LSI WSI Problem Solving Templates for 20 Story Pairs are available for download on a hidden landing page The link to this page is included within the Teaching Guide ebook A Possible Solution Key for Story Pair templates includes one possible solution to each of the steps on the LSI WSI templates for each of the 20 story pairs A blank line is also included for generating your own solution based on selecting a different character for each story BONUS Also included are LSI WSI General Use Problem Solving Templates for everyday scenarios adaptations individualized teaching and extension ideas **Let's Solve It! Step-by-Step Problem Solving with Kids, Storybook 1** Michelle Garcia

Winner, Pamela Crooke, 2025-09-22 Storybooks for Teaching Problem Solving Illustrated stories are a mainstay for young children and provide both visual and narrative clues for basic problem solving development Storybooks enhance understanding of basic concepts encourage engagement and build critical thinking skills They are also the foundation for building literacy skills inferencing and expose learners to perspective taking specifically thoughts and feelings through the words and actions of the story characters Let's Solve It Step by Step Problem Solving with Kids Storybook 1 is part of a series that contains a second storybook and a teaching guide The ebooks are sold separately The print books are sold as a set Storybook 1 includes ten story pairs which can be introduced in any order Each story pair begins with a Let's Solve It version color coded in orange where characters encounter an everyday problem or dilemma That story is immediately followed by the We Solved It version of the same story color coded in blue where the same character figures out how to avoid or even solve the problem in order to meet their own and or the group's social goals Students can compare two versions of the same scenario to see how different choices and perspectives can play out STORYBOOK 1 Story 1 Spelling Lesson Story 2 Homework Story 3 Partner Work Story 4 Family Dinner Story 5 Art Class Story 6 Playing a Game Story 7 Story Time Story 8 Shopping with Mom Story 9 Show and Tell Story 10 Visiting the Doctor's Office To facilitate teaching a Let's Solve It Teaching Guide available as a separate ebook includes corresponding Let's Solve It LSI and We Solved It WSI fully downloadable problem solving templates to help guide discussions An additional 10 story pairs available as a separate ebook can be found in Let's Solve It Step by Step Problem Solving with Kids Storybook 2 **Superflex and Kool Q. Cumber to the Rescue!** Michelle Garcia Winner, 2020-05-29 Superflex and Kool Q Cumber to the Rescue introduces readers to the Thinkable Kool Q Cumber we call him Kool for short Kool helps Social Town citizens stay kool when problems happen and then use strategies to figure out problems and manage reactions In the storybook Aiden's friend Sam becomes frustrated with problems throughout the day As Sam feels Glassman and the ExplodaBots ruling his thoughts he uses the strategies he learned from Kool to figure out a reaction that matches the size of the problem This engaging book is part of our Superflex Series which is designed to help children learn about their own and others thoughts and social responses and practice strategies for self regulation across a variety of situations As kids learn strategies to manage the UnthinkaBots they strengthen their flexible thinking and are better able to self regulate in challenging times This illustrated storybook connects

to and supports these Social Thinking Vocabulary concepts Figuring out the size of the problem Kool's Probulator Learning to match reaction size to size of the problem Social attention observation Flexible Thinking Sensory and language based strategies to manage Glassman and the ExplodaBots calming my body breathing in tightening all my muscles and then breathing out and relaxing them Cooling Cap using positive self talk and more Adults who are using the Superflex curriculum and concepts can use Superflex and Kool Q Cumber to the Rescue in several ways To help children celebrate their successes in managing Glassman and the ExplodaBots To teach about and illustrate how activating their Kool Q Cumber Thinkable powers can help them learn to match the size of their reaction to the size of a problem To help children understand and practice positive strategies for self regulation Best Selling Superflex Series Our best selling Superflex Series including Social Detective gives educators therapists and caregivers tools for supporting and teaching social observation social awareness perspective taking executive functioning flexible thinking and self regulation
