The last 4 years at Oak Bay have been incredible, it's crazy it's over. I'd like to thank my parents, grandparents, everyone of my friends and teachers for helping me out along the way.

I thank my car. Thank you whoever, whatever, earth, spirit, myself, people. I'm like man, I got from point A to point B safety" - Lil B 'The Based God'

Wow, I can't believe it's finally over. Here's to the amazing memories these past 4 years.

Goodrich, 2004-10 Frances Goodrich and Albert Hackett wrote the screenplays for some of America's most treasured movies including It's a Wonderful Life The Thin Man Easter Parade Father of the Bride Naughty Marietta and Seven Brides for Seven Brothers Legendary films indeed but writing both the play and screenplay for The Diary of Anne Frank was their crowning achievement Controlled chaos best describes their writing method They discussed a scene at length sometimes acting it out Afterwards they each wrote a draft which they exchanged Then Frances said began free criticism which sometimes erupted into screaming matches Noisy and contentious the method worked splendidly Enormously successful and remarkably prolific Goodrich and Hackett began their thirty four year collaboration in 1928 Married after the first of their five plays became a hit they were in many ways an unlikely pair Frances the privileged daughter of well to do parents graduated from Vassar then played minor parts on Broadway Albert's mother put him on stage at age five when his father died to help pay the bills and he became a highly paid comedian The Hacketts were known for their wit and high spirits and

the pleasure of their Bel Air dinner parties They waged memorable battles with their powerful bosses and were key activists in the stressful creation of the Screen Writers Guild Once they had created Nick and Nora Charles The Thin Man s bright charming sophisticated lead couple played memorably by William Powell and Myrna Loy many people saw a strong resemblance and the Hacketts acknowledged that they put themselves into Nick and Nora The Real Nick and Nora is a dazzling assemblage of anecdotes featuring some of the most talented writers and the brightest lights of American stage and screen The work was arduous the parties luminous On any given night the guests singing and acting out scripts at a party might include F Scott Fitzgerald and Sheilah Graham S J Perelman Oscar Levant Ogden Nash Judy Garland Abe Burrows Hoagy Carmichael Johnny Mercer Ira Gershwin George Burns and Gracie Allen Pat O Brien Dick Powell and June Allyson Dashiell Hammett Lillian Hellman James Cagney and Dorothy Parker

David David Wolpe, 2014-09-16 Of all the figures in the Bible David arguably stands out as the most perplexing and enigmatic He was many things a warrior who subdued Goliath and the Philistines a king who united a nation a poet who created beautiful sensitive verse a loyal servant of God who proposed the great Temple and founded the Messianic line a schemer deceiver and adulterer who freely indulged his very human appetites David Wolpe whom Newsweek called the most influential rabbi in America takes a fresh look at biblical David in an attempt to find coherence in his seemingly contradictory actions and impulses The author questions why David holds such an exalted place in history and legend and then proceeds to unravel his complex character based on information found in the book of Samuel and later literature What emerges is a fascinating portrait of an exceptional human being who despite his many flaws was truly beloved by God

Michelle Obama - First Lady Tanya Savory, **Girls and Literacy in America** Jane Greer, 2003-05-23 An exploration of the fascinating and controversial history of girls education in America from the colonial era to the computer age Girls and Literacy in America offers a tour of opportunities obstacles and achievements in girls education from the limited possibilities of colonial days to the wide open potential of the Internet generation Six essays written by historians and focused on particular historical periods examine the extensive range of girls literacies in both educational and extracurricular settings Girls from various ethnic and racial backgrounds social classes religions and geographic areas of the nation are included A host of primary documents including such items as an 18th century hornbook to excerpts from girls conversations in Internet chat rooms allow readers an opportunity to evaluate for themselves some of the materials mentioned in the volume s opening essays And finally an extensive bibliography will be invaluable to students expected to conduct more extensive primary research

Finding Mom Steve C. Messer, 2015-02-13 Finding Mom is a story of tragedy secrets and forgiveness As a six year old Steve Messer found his mother s body after she committed suicide in 1961 and for the next fifty years he and his family lived in silence about her death and her life This book chronicles the physical and emotional journey the author and his wife took to find his mother again but this time as a fully human woman instead of a haunting figure shrouded in silence this time as the mom who deeply loved her son in the midst of

her deepening depression Responding to a gentle but unmistakable nudge from the Lord leaning on supportive family members and utilizing his training as a historian Messer spent six months gathering documents and images interviewing individuals who knew his mother and traveling to sites associated with her life The physical journey culminated with two family gatherings that welcomed Marian Pett Messer back after the decades of silence but the emotional journey of new found understandings of family grace forgiveness and what it means to be human will continue for a lifetime **Jet**

REVISED AND UPDATED IN 2025 NEW YORK TIMES BESTSELLER An award winning guide to the sometimes erratic and confusing behavior of teenage girls from the author of *Under Pressure* and *The Emotional Lives of Teenagers* now revised and updated with advice on social media use gender fluidity and drug use Dr Lisa Damour worked as an expert collaborator on Pixar's *Inside Out 2* The most down to earth readable parenting book I've come across in a long time *The Washington Post* In this sane highly engaging and informed guide for parents of daughters Dr Damour draws on decades of experience and the latest research to reveal the seven distinct and absolutely normal developmental transitions that turn girls into grown ups including Parting with Childhood Contending with Adult Authority Entering the Romantic World and Caring for Herself Providing realistic scenarios and welcome advice on how to engage daughters in smart constructive ways *Untangled* gives parents a broad framework for understanding their daughters while addressing their most common questions including My thirteen year old rolls her eyes when I try to talk to her and only does it more when I get angry with her about it How should I respond Do I tell my teen daughter that I'm checking her phone My daughter suffers from test anxiety What can I do to help her Where's the line between healthy eating and having an eating disorder My teenage daughter wants to know why I'm against pot when it's legal in some states What should I say My daughter's friend is cutting herself Do I call the girl's mother to let her know Perhaps most important *Untangled* helps mothers and fathers understand connect and grow with their daughters When parents know what makes their daughter tick they can embrace and enjoy the challenge of raising a healthy happy young woman BOOKS FOR A BETTER LIFE AWARD WINNER *The Lake Effect* Erin McCahan,2017 The summer after senior year of high school Briggs Henry works as a personal assistant to an eccentric elderly woman in a house on the shores of Lake Michigan and finds himself distracted by the mysterious girl next door **Sacred Books; Secular Books** Kalman Dubov, The ultra orthodox Jewish world divides the world into two distinct realities the sphere within and the sphere without The internal sphere which I refer to as the Sphere of Holiness is maintained in a sacrosanct manner so that the Sphere of Secularity does not intrude and contaminate the other sphere The range of figurative walls maintaining these two spheres affects the consciousness and reality of every ultra orthodox Jew so that this construct is continually brought to conscious awareness Every member of those who maintain this lifestyle is urged to continually be reminded and

reinvigorated in this awareness Examples of such awareness begin with ultra orthodox schooling A child begins religious studies that are exclusive with secular studies either ignored or completed in a way that denies credence or importance In New York State the education law contains vague language regarding how a child is to be educated This vagueness allows those in charge of that school to largely circumvent traditional pedagogy As the child advances in religious studies the lack of external exposure coupled with the intensity of study requirements ensures the young man does not stray into forbidden areas that might endanger his sacred standing in the community and be enticed by the larger world Such study intensifies with each passing grade and year until he is fully conversant with ancient Jewish law and traditions after nearly twenty years of such study At the same time however he will be a functional illiterate in the lingua franca of his home country His female counterpart will not be exposed to such traditional studies because her role is to be the mother and home caretaker not the scholar The Jewish tradition not to teach girls and women similar to men derives from the Talmud and the legal determination of Maimonides This mindset has continued for hundreds of years and is unlikely to change Despite this limitation on women's education through Jewish history exceptional women achieved a high scholarship to the acclaim of their entire community including men In fact one woman a singular exception became a Chassidic Rebbe amidst fierce opposition A modern exception to such a study curriculum is Chabad Because it has a messianic outreach program the Chabad couple who establish a Chabad House in diverse cities and countries and are often the only ones running the program the woman must have the training to lead and know the deeper aspects of Judaism This book is not only about women's education but it represents the larger dynamics in how the ultra orthodox Jewish world bifurcates the reality of its members so that any intrusion from that external world remains in place An example of such limitation is the ultra orthodox public denunciations against the use of the internet use of computers as against the smartphone unless these devices are programmed so that surfing is not possible The future of these communities on a trajectory of high fertility ensures their future growth As they populate the United States and other countries replenishing the numbers lost in the Holocaust their exposure to and awareness of the world at large will remain extremely limited
