understanding Multicultural Instructional Design Concepts Methodologies Tools and Applications is a vital reference source for the latest research findings on inclusive curriculum development for multicultural learners It also examines the interaction between culture and learning in academic environments and the efforts to mediate it through various educational venues Highlighting a range of topics such as intercultural communication student diversity and language skills this multi volume book is ideally designed for educators professionals school administrators researchers and practitioners in the field of education Promoting Intercultural Communication Competencies in Higher Education García-Pérez, Grisel

María,Rojas-Primus, Constanza,2016-11-17 Any educational environment involves the interaction of diverse groups and individuals To foster productive and effective communication it becomes imperative to understand people s different linguistic and cultural backgrounds as well as their value systems Promoting Intercultural Communication Competencies in Higher Education is a pivotal reference source for the latest scholarly material on the presence of cultural diversity in educational contexts and how to promote effective dialogues in these environments Highlighting extensive coverage on topics relating to intercultural learning such as social identity gender diversity and formative feedback this book is ideally designed for academics upper level students educators professionals and practitioners seeking pedagogical research on communication between diverse cultural groups **The Winged** Kaitlyn Moore Chandler,Wendi Field Murray,María Nieves Zedeño,Samrat Miller Clements,Robert James,2017-04-11 The Missouri River Basin is home to thousands of bird species that migrate across the Great Plains of North America each year marking the seasonal cycle and filling the air with their song In time immemorial Native inhabitants of this vast region established alliances with birds that helped them to connect with the gods to learn the workings of nature and to live well This book integrates published and archival sources covering archaeology ethnohistory historical ethnography folklore and interviews with elders from the Blackfoot Assiniboiné Mandan Hidatsa Arikara and Crow communities to explore how relationships between people and birds are situated in contemporary practice and what has fostered its cultural persistence Native principles of ecological and cosmological knowledge are brought into focus to highlight specific beliefs practices and concerns associated with individual bird species bird parts bird objects the natural and cultural landscapes that birds and people cohabit and the future of this ancient alliance Detailed descriptions critical to ethnohistorians and ethnobiologists are accompanied by thirty four color images A unique contribution The Winged expands our understanding of sets of interrelated dependencies or entanglements between bird and human agents and it steps beyond traditional scientific and anthropological distinctions between humans and animals to reveal the intricate and eminently social character of these interactions Sun Dancing Michael Hull,2000-10-01 A powerful story of one man s redemption through the Lakota Sun Dance ceremony Written by the only white man to be confirmed as a Sundance Chief by traditional Lakota elders Includes forewords by prominent Lakota spiritual leaders Leonard Crow Dog Charles Chipps Mary Thunder and Jamie Sams The Sun Dance is the largest and most important ceremony in the Lakota

spiritual tradition the one that ensures the life of the people for another year In 1988 Michael Hull was extended an invitation to join in a Sun Dance by Lakota elder Leonard Crow Dog a controversial action because Hull is white This was the beginning of a spiritual journey that increasingly interwove the life of the author with the people process and elements of Lakota spirituality On this journey on the Red Road Michael Hull confronted firsthand the transformational power of Lakota spiritual practice and the deep ambivalence many Indians had about opening their ceremonies to a white man Sun Dancing presents a profound look at the elements of traditional Lakota ceremonial practice and the ways in which ceremony is regarded as life giving by the Lakota Through his commitment to following the Red Road Michael Hull gradually won acceptance in a community that has rejected other attempts by white America to absorb its spiritual practices leading to the extraordinary step of his confirmation as a Sun Dance Chief by Leonard Crow Dog and other Lakota spiritual leaders

The Nutmeg's Curse Amitav Ghosh,2021-10-14 The author of *The Great Derangement* finds the origins of our climate crisis in Western colonialism s violent exploitation of human life and the environment A powerful work of history essay testimony and polemic Amitav Ghosh s new book traces our contemporary planetary crisis back to the discovery of the New World and the sea route to the Indian Ocean *The Nutmeg s Curse* argues that the dynamics of climate change today are rooted in a centuries old geopolitical order constructed by Western colonialism At the center of Ghosh s narrative is the now ubiquitous spice nutmeg The history of the nutmeg is one of conquest and exploitation of both human life and the natural environment In Ghosh s hands the story of the nutmeg becomes a parable for our environmental crisis revealing the ways human history has always been entangled with earthly materials such as spices tea sugarcane opium and fossil fuels Our crisis he shows is ultimately the result of a mechanistic view of the earth where nature exists only as a resource for humans to use for our own ends rather than a force of its own full of agency and meaning Writing against the backdrop of the global pandemic and the Black Lives Matter protests Ghosh frames these historical stories in a way that connects our shared colonial histories with the deep inequality we see around us today By interweaving discussions on everything from the global history of the oil trade to the migrant crisis and the animist spirituality of Indigenous communities

around the world The Nutmeg s Curse offers a sharp critique of Western society and speaks to the profoundly remarkable ways in which human history is shaped by non human forces *A Companion to American Indian History* Philip J. Deloria,Neal Salisbury,2008-04-15 A Companion to American Indian History captures the thematic breadth of Native American history over the last forty years Twenty five original essays by leading scholars in the field both American Indian and non American Indian bring an exciting modern perspective to Native American histories that were at one time related exclusively by Euro American settlers Contains 25 original essays by leading experts in Native American history Covers the breadth of American Indian history including contacts with settlers religion family economy law education gender issues and culture Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns
