Yoga For A World Out Of Balance:

Yoga for a World Out of Balance Michael Stone, 2009-09-29 Every aspect of our life has a part to play in the greater ecological system Michael Stone explains in this book How do we bring this large view to our yoga practice According to Stone our responsibility as human beings is to live in a sustainable and respectful way He says two things need to change First we need to understand the relationship between our actions and the effects of our actions Second once we see the effect of our actions in the human and non human world we need practical skills for learning how to make changes Using the five principles yama described in the Yoga Sutra attributed to Patanjali Michael Stone offers a basis for rethinking ethical action and the spiritual path *Yoga for a World Out of Balance* Michael Stone, B. K. S. Iyengar, 2009 With simplicity and clarity a fresh viewpoint from a psychologist and teacher of yoga and meditation shows how the yoga tradition offers a greater path to being a responsible member of the global community

Awake in the World Michael Stone, 2011-06-07 How can we live a balanced life in unbalanced times How can the practices of meditation and yoga support our relationships our work lives and the greater good Author teacher and psychotherapist Michael Stone presents the essential insights of mindfulness and yoga emphasizing the teachings of simplicity and the interdependence of all life Stone explains that the practices of yoga and meditation are not about escaping reality but about living fully in the here and now opening to our experience and gaining access to stillness within the flow of life The essence of yoga and Buddhist practice is opening the heart our own and the heart of the world With that awareness Stone encourages us to get involved in our communities to speak out when we see wrongdoing and to find ways of helping others

Yoga Revolution Jivana Heyman, 2021-12-07 It is time to address the dissonance between the often superficial way yoga is currently being practiced and the depth of yoga's ancient universal spiritual teachings In this clarion call to action Jivana Heyman offers a blueprint for cultivating a practice based in the ancient wisdom of the Bhagavad Gita and the Yoga Sutras in service of those experiencing exclusion and oppression Heyman illuminates the yogic mandate of seva or acts of service that see care for and uplift those around us as a way to serve the world without losing your way Through pose sequences practice prompts such as Embracing Failure and stories from yoga teachers who are implementing seva in their classes Heyman shows you what it means to serve how to serve and how to promote inclusivity through your service Our job says Heyman is not to clear our mind through yoga practice but rather to expand it so widely that it can embrace the entire universe
