You Cant Be Serious Putting Humor To Work:

You Can't be Serious! Michael Kerr,2001 **Transforming Learning** Peter M. Jonas,2019-08-14 Many authors have researched the connection between humor and education but as E B White said Analyzing humor is like dissecting a frog Few people are interested and the frog dies of it However Dr Peter Jonas takes a broad and practical approach examining the connection between humor and learning The book uses a meta analysis and meta synthesis to identify nine areas where humor significantly improves various aspects of the learning environment This book provides practical examples as well as research on how much of an effect effect size humor has on Leadership Learning Stress reduction Job Satisfaction Relationships Creativity Culture Communication and Engagement Humor needs to be taken seriously because when you get people laughing you can transform learning **Swearing and Cursing** Nico Nassenstein,Anne Storch,2020-04-20 While most of the more recent influential work on swearing has concentrated on English and other languages from the Global North looking at forms and functions of swear words this contribution redirects the necessary focus onto a sociolinguistics of swearing that puts transgressive practices in non Western languages into the focus The transdisciplinary volume contains innovative case studies that address swearing and cursing in parts of the world characterized by consequences of colonialism and increasingly debated inequalities Turning away from more conventional and established methodologies and theoretical approaches the book envisages to address transgressive linguistic practices performances and contexts in Africa Asia America and Europe including individuals creativity subversive power and agency Due to its interdisciplinary and non mainstream focus this volume is an essential addition to the field of studies **Monkey Business** Heather A. Wandell Ma CLL,2012-06 Author Heather A Wandell after observing thousands of hours of human workplace behavior and hundreds of hours of monkey behavior discovered there is a connection In Monkey Business she compares the monkeys behavior to the human behavior and offers unique business and personal life practices to help to move your life forward A compilation of previously published columns these lessons revolve around the themes of creating an environment where possibility thrives acknowledging our shared humanity getting along communicating with awareness evolving our business paradigm and opening to optimism Monkey Business can help you to put a new practice into your life that may bring relief to your own mental suffering shift energy in your workplace or personal life break down barriers realize you are the agent for change in your life consider a new possibility gain a new understanding of relationships increase your flow of creativity notice teachers are everywhere give a second chance at life The lessons taught in Monkey Business guide you to take responsibility for being the creator of your stories your life and your experience an ongoing process that takes steadfast mindful practice Management Des Stratégies À Découvrir ,2004-03 *Writing Humor* Mary Ann Rishel,2002 Learn how to expand the humor in your imagination into the most fulfilling and fun filled genres in creative writing from comedy to a satirical essay to a joke monologue with the help of Writing Humor the first textbook of its kind for college students Marketing to the
