SERVICE MANUAL

FOR SERVICE PERSONNEL ONLY

IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Service and their service personnel. It has been prepared for basic service procedures related to the industry, and more specifically YAMAHA Products, as already known and confirmed by the users, and have therefore not been revised.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Service or the approved service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or designation of any applicable technical capabilities, or constitute a principle-agent relationship of any kind.

The data provided is believed to be accurate and applicable to the units indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to users. Should any discrepancy appear to exist, please contact the distributor's Service Division.

WARNING: Static discharge can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground line on the unit (battery pack/Black wire) before you begin work.

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
