

A person stands on a dark rock in the foreground, looking up at a vast night sky filled with stars. The Milky Way galaxy is visible, stretching across the sky with a prominent purple and pink nebula. The horizon is dark, and the overall scene is serene and contemplative.

There ought to be a warning
anytime you wake up on a day
that will forever change your life.

Faith Along Life's Journey Richard Scott, 2020-12-30 Who would have ever thought a shiny new 1965 Mustang would start us on a journey through life Only four years earlier she was in junior high then God stepped in and started working his plan Our journey has taken us through the deepest valleys and atop the highest mountains A journey of joy and a journey of heartache Our journey has taken us places where we didn't know where we were supposed to be until we got there I will never forget the smile on her face the twinkle in her eyes and the giggle in her laugh when she came home from the doctor Richard I am pregnant we are going to have a baby She was perfect She was beautiful I just held her and cried then reality set in I was a father Calls in the middle of the night have always frightened me When the phone rang at 4:00 a.m. on May 1 1969 I awoke in a state of confusion and fear The call turned our whole world upside down **Your Life's Puzzle** August Leo, 2024-07-30 There are so many people who are suffering in silence When they're in public they put on a face as though everything is well When they are alone they slip back into depression We need to learn to get along stop judging and learn to love one another That begins with the person you see in the mirror The most powerful thing in the world is the human mind

People should take the words can't and impossible out of their vocabulary. If those two words are in your vocabulary, you will have a defeated mindset and you will fail before you get started. If you have faith/belief, come up with a plan and take action. Anything is possible. The power is in belief. If you have the will, anything is possible. The purpose of the material in this book is to give the gift of hope. I want to inspire you, people, and lift them up. There are some people who are stressed out and depressed and have fallen into a dark place because of things they have experienced in life. Some of them have given up and stopped looking for a way out. If you are in a dark place in life, darkness cannot drive out darkness. It takes light to drive out darkness. We are bombarded with negativity from news and social media all day long. The materials in this book are meant to be a ray of light to drive out the darkness. The short stories in this book are about real people who've made mistakes. You can't make all your mistakes, but you can learn from someone else. Another purpose of this book is to encourage people to use their inner pain and hurt as fuel to push themselves toward their dreams. If you're not happy where you are in life, it's up to you to change it. You have to take responsibility for your life. No one is going to do it for you. No one is going to care for you more than you care for yourself. Here is a list of some of the topics that will be discussed in this book: learning disabilities, depression, loneliness, suicide, intuition, solitude, self-love, self-hate, self-worth, self-esteem, stress, and much more.
