The Thing In The Bushes Turning Organizational Blind Spots Into Competitive Advantage:

The Thing in the Bushes Kevin Graham Ford, James P. Osterhaus, 2001 Even the best run companies with great products talented personnel and superior systems can flounder if they are not relationally healthy The authors show business leaders how to face hidden issues and turn them into advantages for their companies **The Manager's Dilemma** J. Sostrin, 2015-07-07 This groundbreaking book provides a framework and set of key concepts enabling leaders to exert their influence over the difficult choices and competing priorities they confront Compelling stories and vivid case studies help to deliver a serious game plan to any leader who is grappling with burnout caused by the manager's dilemma **The Trinitarian Dance** Sharon Tam, 2015-02-02 The Trinitarian Dance presents a model of leadership development based on the Holy Trinity Part one analyzes the present state of the cultural and ecclesiastical situation in Canada identifying specific trends and aspects relating to the need for development of effective leadership in the church This section sets the stage for Part two where a theology of trinitarian leadership is developed based on the dynamic of perichoresis with the motif of a dance used to present a paradigm of transformational leadership Part three offers church based strategies for leadership development concluding with a creative application of the doxological formula that captures the thrust of the entire book and leads it to a finale that includes a benediction of hope for the church through this leadership model *Beyond the Job Description* J. Sostrin, 2017-07-01 When work becomes messy and complicated we stop getting good work done we lose sight of the things that inspire us and sometimes we disengage This book helps you translate your challenges at work into useful insights that boost learning and performance and make your time spent at work a little better **Forthcoming Books** Rose Army, 2001-06 *ECP Estrategia, Cognición y Poder* Alberto Levy, 2013-05-01 En consonancia con el cambio de paradigma que hoy atraviesan las ciencias el dominio de la estrategia y del comportamiento organizacional comienza a incorporar el desorden lo discontinuo y lo impredecible como coordenadas de sus desarrollos conceptuales Hemos procurado integrar aquí los resultados de las investigaciones realizadas por una gran variedad de ciencias cognitivas el rea de la estrategia y las disciplinas y teorías que abordan la decisión humana la sociología la teoría de la comunicación la teoría general de los sistemas el cambio actitudinal la dinámica de grupos la biología y el poder Apuntamos a construir una noción de desarrollo sustentada en que las personas así como las organizaciones que integran puedan interpretar el mundo a la luz de sus propios motivos y participar en la creación de significados compartidos No se propone enseñar una estrategia pues eso equivaldría a querer establecer una receta universal acerca de cuál es la intención básica correcta que toda persona u organización debe perseguir Esto no sólo sería ingenuo constituiría una falta de respeto al negarle su capacidad de convertirse en centro de una incesante creación de historia American Book Publishing Record , 2001 **Bulletin of the Atomic Scientists** , 1955-04 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer
