The Three Heavens Angels Demons And What Lies Ahead:

Three Heavens John Hagee, 2015-05-12 As sales of Hagee's current New York Times bestseller *Four Blood Moons* continue to soar hundreds of thousands of readers have had their thirst whetted to know what is to come at the end of this world heaven itself Hagee's national media power assures another mega bestseller **Angels and Demons** John Hagee, 2015-12-01 An in depth interactive companion study to John Hagee's new bestseller *The Three Heavens* **Satan Exposed** William P. Payne, 2019-07-16 Spiritual warfare is not a church fad Rather it is the rediscovery of biblical Christianity Furthermore one will not grasp what the Bible teaches until one comprehends what it affirms about spiritual warfare In truth spiritual warfare permeates the entire Bible When one learns to read the Scriptures through the lens of spiritual warfare one will discern the mission of God understand the kingdom of God and be able to participate in the work of God As a professional theologian seminary professor and spiritual warfare practitioner Bill Payne believes that the church will not make disciples of all nations Matthew 28:18-20 until it operationalizes what the Bible teaches about spiritual warfare As it orients the reader to the spiritual warfare mandate *Satan Exposed* tackles the difficult passages of Scripture In short this book will change how you read the Bible how you understand reality and how you do ministry [Road Map through the Wilderness](#) Don Claycomb, 2025-09-15 In our walk through life many of us become unintentionally trapped in our wilderness experiences without a reason or way to escape or a plan for what comes next Satan's agenda is for us to head into the wilderness and never emerge God's agenda is for us to enter the wilderness for a short time learn something and leave with the power of the Holy Spirit so we can fulfill our divine purpose just as Jesus did In a thought provoking spiritual guide Don Claycomb shares insights into the seven distinct events of Jesus's wilderness experience to empower believers to lead a more effective life beyond their own wilderness experience and become who the Lord created them to be By examining these seven events believers will learn to recognize their own challenges and discover through Jesus's example where they are in their wilderness walk and how to follow a series of steps to move out of the wilderness and into a new enlightened beginning *Roadmap through the Wilderness* offers spiritual guidance that leads believers down an introspective path to engage with and understand the seven events of Jesus's wilderness walk so they can embrace the lessons of their own *Adventures in Spiritual Warfare* William P. Payne, 2018-05-04 Even though they lack the words to describe it most people know that spiritual warfare is real This book pulls back the curtains and gives the reader a front row seat to the most exciting show of our time Each chapter pairs riveting personal stories with solid biblical teaching to give the reader practical guidelines for defeating Satan and living a victorious Christian life Perhaps you feel like Peter felt when Jesus commanded him to leave the safety of his boat and step upon the tempestuous sea Because he trusted Jesus he obeyed him Later Jesus told the disciples that they would do greater things This book will help you find the courage to step out of your comfort zone and walk into the world of power ministry Thankfully a series of profound encounters with evil supernaturalism forced me to overcome my

internal resistance to spiritual warfare After I learned how to flow with the Spirit defeat the enemy and set the captives free my life has never been the same Are you ready to join the battle **Completely Set Free** Damien K. H. Nash,2024-09-01 Wage War Against Spiritual Foes Do you constantly feel like you can't catch a break Are you tired of feeling defeated Do you get the sense that you're always facing spiritual attacks It's exhausting and you're probably one of the many thousands of people who have a deep desire to start living a free and victorious life Damien K H Nash offers a compelling look into spiritual warfare and the concept of deliverance by merging the mindsets of athletes and spiritual warriors As a former collegiate basketball player Nash demonstrates lessons learned from coaches during pregame reviewing a strategic game plan to take on the opposing team by analyzing key players strengths weaknesses and tendencies and applies it to spiritual warfare against Satan and his minions **Completely Set Free** will help you discover how valuable you are to God's team and how to realize your identity in Christ before you go into battle The Kingdom needs you Nash provides a practical step by step guide to assist in freeing yourself from the enemy's camp **Completely Set Free** is designed to be used as a personal handbook and or a manual for your deliverance ministry **Completely Set Free** also has spiritual warfare prayers to help walk yourself and others through deliverance and lasting spiritual freedom It's time to wage war against the spiritual foes of God's Kingdom so armor up and prepare yourself to be set free and stay free **Earth's Last Empire** John Hagee,2018-09-18 Our world is in crisis mode but God is still on the throne in this powerful and prophetic book from New York Times bestselling author and pastor John Hagee Bible prophecy clearly reveals that immediately prior to the rapture of the Church four powerful kings will race onto the stage of world history Pastor Hagee reveals who they are where they come from and what they signify Learn why Hagee believes that we are in the beginning stages of World War III and how this will eventually take us to the Battle of Armageddon Pastor Hagee vividly describes the key players that signify the King is coming **Touching Heaven** Dr. Chauncey Crandall,2015-09-15 How a doctor's glimpses of eternity confirmed everything he believed about God suffering life on earth and what happens after death Dr Chauncey Crandall knows his patients well When they are dying he sits at the bedside with them and holds their hands He prays with them Sometimes he can feel what they feel and see what they see At other times his patients have near death experiences and come back with astonishing descriptions of the afterlife In **TOUCHING HEAVEN** Dr Crandall reveals how what he has seen and heard has convinced him that God is real that we are created for a divine purpose that death is not the end that we will see our departed loved ones again and that we are closer to the next world than we think **The Great American Backslide and Our Silent Partnership with Darkness** M. Rene Lauzier,2024-03-11 Change is accelerating and the world of 2023 is unrecognizable from the world that existed just five years ago In a very subtle and incremental manner American society has been transformed from what once was the world's premiere super power a country that was exalted as an example of freedom justice morality and liberty into a divided group of many tribes cultures and political and special interest groups often lacking a moral compass We go with the loudest tribe

fitting our basic ideals or choose to go it alone And when we try to avoid the many tribes of destruction we often tend to adopt the idol of the god of self Community and unity are being left to die a slow painful death America s true north has become obscured because we decided to forego God as the light for our path This has allowed us to quickly forget the race worth running as well as those foundational values that once comprised what we stood for as a country But how did we get here and how can the trend of moral decay and divisiveness be reversed The Great American Backslide came about as a result of not just understanding that our natural tendency as humans is to be selfish and sinful but knowing we are being given substantial assistance by the dominion of darkness This book will take us through an analysis of biblical secular and non secular explanations of the existence of evil how it induces cultural paradigm shifts aimed to ultimately separate us from God how evil leverages our emotions our brain chemistry and our sinful human nature to manipulate subtle and incremental compromises of truth how evil sustains itself and creates ever increasing moral decay leading to further evil through a cycle of depravity and how we can go about living in opposition to evil influences upon our world *Four Blood Moons* John Hagee,2025-05-01 There will be signs in the sun in the moon and in the stars Now when these things begin to happen look up and lift up your heads because your redemption draws near Luke 21 25a 28 It is rare that Scripture science and history align with each other yet the last three series of Four Blood Moons have done exactly that Are these the signs that God refers to in His Word If they are what do they mean What is their prophetic significance
