

The illustration depicts a magical night scene. In the upper left, a figure with long blonde hair and a yellow robe floats in the sky. The background is a deep blue night sky filled with stars, a crescent moon, and a small blue creature peeking from behind a cloud. Three trees stand on a green hill: a weeping tree with white branches on the left, a large tree with green and red leaves in the center, and a tree with red star-shaped leaves on the right. Various animals are present: a brown and white cow, a brown chicken, two white ducks, a brown chicken, a grey donkey, and a brown horse. Red flowers are scattered on the grass. The title 'THE THREE TREES' is written in large, gold, serif capital letters, with 'A Traditional Folktale' in smaller, white, serif capital letters below it.

Margie Cretella, 2024-03-11 Imagine these words black ice a car a truck a tree and Northeast Ohio These words can only add up to a tragic car crash And they did The nightmare happened on November 13 2013 and left me on a journey searching for my brother and God It seemed like a game that I didn't want to partake in but I had no choice This

game led me to several hospitals where I spent my time asking the hospital staff if they knew where my brother was They always led me to a room of an almost lifeless man lying in a bed and often looking at me like he was wondering who I was Where exactly was my brother the loud boisterous man that I once knew for fifty eight years He was the man that you would hear before you would even see him I wanted that brother back and wanted him back immediately I spent ten years searching for my brother and God It left me exhausted mad bitter and at times lonely How would I go about finding them I would have been happy if I could just find one of them but who would be more important to me my brother or God I couldn't imagine God turning his back on my brother Father Steve a devout Catholic priest because I could only envision God taking care of him every step of the way Would I be fortunate enough to find out that maybe God and my brother were hanging out the whole time searching for me Maybe I was the one who was lost If you like stories about faith family love and willpower then this book is for you
