The Truth About Addiction And Recovery:

Truth About Addiction and Recovery Stanton Peele, Archie Brodsky, Mary Arnold, 1992-03-15 In this revolutionary analysis of addiction Peele and Brodsky draw on years of research to refute the contention that addictions are biologically based diseases that last a lifetime Examining addiction within the context of people's lives they show that addictive behavior is a way of coping with situational stress and that it can be overcome without medical treatment or 12 step groups

Searching for the Truth About Drugs Marty Gruber, Jack Donaldson, 2012-06-27 If you have ever wondered what it would be like to travel the road that a drug addict has chosen sit back and read about the road into living hell and back Marty Gruber abused drugs for 45 years and he attempted suicide immediately before he found the door of escape from drug abuse and the key to a meaningful life With the aid of Providence Marty found long term meaning and in the process he has been given the privilege of warning teens about the trap of drug abuse Research performed in 2010 shows that 48.2 percent of America's high school seniors have tried illicit drugs In 2011 the National Institute on Drug Abuse NIDA reported that drug abuse cost the United States six hundred and nine billion dollars 609 000 000 000 is not a typo Most drug addicts die from their addiction because becoming drug free requires help and many never find that help Research shows that for each dollar invested in drug abuse prevention a savings of up to ten dollars in rehabilitation treatment can be achieved A teenager can't see as far down the road as a seventy five year old man who has already been down that road to just short of its logical end death In Marty's case this was attempted suicide Marty has returned to warn others not to take the road leading to drug abuse

AA Not the Only Way Melanie Solomon, 2008 A discussion of alternative resources for addiction treatment including a comprehensive directory of licensed professionals and treatment programs *Join the Voices for Recovery*, 2009 Includes samples of press releases public service announcements promotional event ideas logos and fact sheets designed to help organizations start up a drug treatment and prevention program in their community as part of National Alcohol Drug Addiction Recovery Month 2009 Also includes community outreach and resource materials Powerless? Dawn M. Johnson, Richard H. Johnson, 2018-11-07 You are not powerless over your addictions but you have been told you are It's not true YOU ARE NOT POWERLESS This book offers hope and help for addicts and their families It unveils the truth about traditional recovery methods and introduces an empowering new 21st century approach the My Recovery Community Traditional recovery does not work Only 5-10% of people who seek help with their addictions achieve successful long term sobriety The reason Traditional recovery programs do not address the root emotional cause of addictive behavior quite possibly because they don't know what it is If they did no doubt they would have addressed it long ago and recovery rates would be considerably higher than they are This book uncovers the hidden emotional root of addiction and proposes a new approach to beat it While we focus on substance abuse in the narrative people wrestling with other addictive behaviors will also find help in these pages This book is not just for addicts it is also for the families and friends of addicts All need hope and
