The Turning Point. Jefferson's Battle for the Presidency Frank Van der Linden,1962 **The Turning Point** Frank van der Linden,1962 The Battle for the Presidency Sidney Warren,1968 *The Turning Point. Jefferson's Battle for the Presidency. Bicentennial Ed* Frank Van DER LINDEN,Thomas Jefferson,1976 **Presidential Campaigns** Paul F. Boller Jr.,2004-07-22 Were presidential campaigns always as bitter as they have been in recent years Or is the current style of campaigning a new political development In this revised and updated edition of *Presidential Campaigns* the answers to these questions are clear the race for the presidency although at times mean and nasty has always been an endlessly entertaining and highly charged spectacle for the American public This book unveils the whole history of American presidential elections from the seamless ascent of General George Washington to the bitterly contested election of George W Bush bringing these boisterous contests to life in all their richness and complexity In the old days Boller shows campaigns were much rowdier than they are today Back in the nineteenth century the invective at election time was exuberant and the mudslinging unrestrained a candidate might be called everything from a carbuncle faced old drunkard to a howling atheist But there was plenty of fun and games too with songs and slogans speeches and parades all livening up the scene in order to get people to the polls *Presidential Campaigns* takes note of the serious side of elections even as it documents the frenzy frolic and the sleaze Each chapter contains a brief essay describing an election and presenting campaign highlights that bring to life the quadrennial confrontation in all its shame and glory With a postscript analyzing the major changes in the ways Americans have chosen their Presidents from Washington s time to the present *Presidential Campaigns* gives the reader a full picture of this somewhat flawed procedure For all of its shortcomings though this great American shindig is an essential part of the American democratic system and for better or for worse tells us much about ourselves The Turning Point Frank Van der Linden,1962 **Jockeying for the American Presidency** Lara M. Brown,2010 This book will compel scholars to take a new look at the role of political opportunism in the presidential selection process Lara Brown provides a fresh innovative exploration of the roots of opportunism one that challenges conventional wisdom as it advances our understanding of this complex topic Michael A Genovese Loyola Marymount University **Presidential Campaigns, Slogans, Issues, and Platforms** Robert North Roberts,Scott John Hammond,Valerie A.
