The Ubu Plays Alfred Jarry, 2007-12-01 Alfred Jarry is regarded as one of the founders of modern avant garde theatre Dada Surrealism Pataphysics Theatre of Cruelty the Absurd all owe a debt to Jarry Encore This volume contains his three classic Ubu texts Ubu Roi Ubu Cocu and Ubu Encha n Through the lucid translations of Connolly and Taylor the reader comes to realize that the violent and loathsome Ubu is Jarry s dark metaphor for man in the modern age As Ubu himself said We shall not have succeeded in demolishing everything unless we demolish the ruins as well *The Ubu Plays* Alfred Jarry, 1979 **Catalog of Copyright Entries** Library of Congress. Christ of the Coal Yards Harry Eiss, 2010-02-19 No one heard the shot No one ever found the gun It was Sunday July 27 1890 Vincent had recently finished Wheatfield with Crows thought to be his final painting one that he described as representing vast fields of wheat beneath troubled skies one where he said in a letter he meant to send to Theo I did not need to go out of my way to try to express cheerlessness and extreme loneliness The letter never got sent but was found stuffed in his smock That morning as usual he walked out into the wheat fields with his easel brushes tubes of color and folding stool perhaps hoping to reach his destination before the gang of local boys and girls were up and able to tease him and throw tomatoes Le Crau a wide plain of ripe grain fields of citron yellow tan and ochre spread out beneath the bright Provencal sun It s safe to assume he heard the cicadas singing loudly the swiping swishes of the farmers scythes already cutting through the rich wheat stalks the gusts of wind whispering through the olive branches Driven and filled with energy for months he had been quickly with an assurance that overcame and perhaps even came from his doubts and struggles putting his own dramatic visions on canvas after canvas But today he did not go into the fields to paint or perhaps in the beginning he did perhaps in the morning that was his intention No one will ever know He said he brought the revolver to frighten off the crows Possibly that was his original intention when he included it with his lunch of bread and milk In the end it s probably not relevant except for the endless attempts to analyze him to dig into his complex psyche at once brilliant and yet impelled to self destruction The Ravoux family were sitting on the terrace of their caf when he returned a bit concerned because he was late but not overly so When he finally appeared his walk was more uneven than usual and he held his hand over his stomach Monsieur Vincent Mrs Ravoux said we were worried we are glad to see you come Has anything bad happened No but I he left his reply unfinished as he passed inside Mr Ravoux followed him upstairs where he found him sitting on his bed facing the wall I wanted to kill myself This book is a critical examination of Vincent van Gogh that offers insights into his life his religious beliefs his relationships with women and of course his paintings It includes discussions of his letters and responds to many of the previous works about him dispelling some of the myths that have no foundation and pointing out how many of the claims made about him and many of the popular beliefs that have grown up around him are at best guesswork It explores psychological neurological theological philosophical aesthetic and historical paradigms for comprehending his enigmatic and

enticing personality **The Fairy Feller's Master-Stroke** Harry Eiss, 2013-01-03 Richard Dadd is a trickster a pre post modern enigma wrapped in a Shakespearean Midsummer Night's Dream an Elizabethan Puck living in a smothering Victorian insane asylum foreshadowing and in brilliant Mad Hatter conundrums entering the fragmented shards of today's nightmarish oxymorons long before the artists currently trying to give them the joker's ephemeral maps of discourse The author thinks of Bob Dylan's Ballad of a Thin Man that cryptic refusal to reduce the warped mirrors of reality to prosaic lies or perhaps All Along the Watchtower or Mr Tambourine Man Even more than Samuel Beckett's Waiting for Godot which curiously enough comes off as overly esoteric too studied too conscious Dadd's entire existence foreshadows the forbidden entrance into the numinous the realization of the inexplicable labyrinths of contemporary existence that wonderfully rich Marcel Duchamp landscape of puns and satiric paradigms that surrealistic parallax of the brilliant gamester Salvador Dali that smirking irony of the works of Roy Lichtenstein Robert Rauschenberg John Cage and Robert Indiana that fragmented meta fictional struggle of Kurt Vonnegut's Slaughterhouse Five John Lennon certainly sensed it and couldn't help but push into meta real worlds in his own lyrics Think of Strawberry Fields Forever I Am the Walrus and the more self conscious Revolution Number 9 In Yer Blues he even refers to Dylan's main character Mr Jones from Ballad of a Thin Man If Lennon's song is taken seriously literally then it is a dark crying out by a suicidal man Lord I'm lonely wanna die or if taken as a metaphor for a lover's lost feelings about his unfulfilled love it falls into the romantic rant of a typical blues or teenage rock and roll song However even on this level it has an irony about it a sense of laughing at itself and at Dylan's Mr Jones who knows something is going on but just not what it is and then by extension all of us who have awakened to the fact that the studied Western world doesn't make sense all of us who struggle to find meaning in the nonsense images characters and happenings in the song and perhaps coming to a conclusion that the nonsense is the sense
