The Story of Your Life

James Lambie,2010 The intriguing story and turbulent history of a paper Charles

Dickens praised for its range of information and profundity of knowledge and which Queen Elizabeth the Queen Mother simply endorsed with the remark Of course I read The Sporting Life It was the Queen Mother s love of horseracing that made her such an avid reader of the Life and coverage of that sport forms the core of this book but there is so much more to fascinate the reader including eyewitness accounts of the first fight for the heavyweight championship of the world and Captain Webb s heroic Channel swim of 1875 Highlights in the history of cricket football and rugby are also featured while chapters on coursing and greyhound racing rank alongside surreal reports on ratting contests and songbird singing competitions And for 30 years Tommy Wisdom made his motoring reports unique by competing against the best at Brooklands Le Mans and in many Monte Carlo rallies while Henry Longhurst s golfing column was simply the best The paper s strident campaigns for racing reforms are also chronicled along with its coverage of major news stories from Fred Archer s shocking suicide to its own untimely demise Its travails in the law courts are documented from its first year when it was forced to change its title to its last when it had to pay libel damages to the training team of Lynda and Jack Ramsden and their jockey Kieren Fallon A higher price was paid by its French correspondent who was killed in a duel over an article he had written while the terrible toll the First World War took on the nation s sporting heroes is catalogued by the Life s embedded army correspondent against a background of political bungling that is being repeated today

The Perfect Punter Dave Farrar, 2012-02-16 Like millions of other sports mad gamblers around the world Dave Farrar loved taking on the bookies But when the girl that he loved walked out on him without explaining why it all went wrong and he embarked on an ill disciplined six month losing streak that made him decide that he was done with punting forever As he started to get over the fact that the girl wasn't coming back he resolved not to give up without a fight But this time he was going to do it properly making sure that he did enough research to take on the bookmakers and win In The Perfect Punter Farrar delves into the detail of every sporting event he'd lost money on in that bad run to make sure that whenever he placed a bet in the future he would know more about it than anyone else He travels around the world following the sporting calendar meeting experts who help him get to the bottom of each event so he can try to win back every penny that he lost From snooker at the Crucible and racing at Cheltenham to tennis at Roland Garros golf's Ryder Cup and the US Superbowl The Perfect Punter is the engrossing story of one man's journey to overcome the odds
