The Ultimatum The Reluctant Prophet Series :

The Exodus and the Reluctant Prophet Martin Sicker, 2007-09 The biblical narrative of the Exodus and of Moses the reluctant prophet who was chosen to lead it deals with the critical formative event in the history of ancient Israel However the narrative also contains a number of enigmatic passages as well as some seemingly unrelated episodes In this book the author undertakes to unravel the enigmas and show how the various disparate elements contribute to the narrative The focus in *The Exodus and the Reluctant Prophet* is on what the biblical text is telling us explicitly as well as implicitly about the world in which the ancient Israelites became transformed from a mass of ethnically related people into a nation bound by a divine covenant and the extraordinary role that the Exodus played in the process In the effort to comprehend and explain the highly complex biblical text the author has consulted a wide range of commentaries and studies written over a period of some two millennia that have sought to understand the biblical texts from a wide variety of perspectives many of which are presented for the reader s consideration including many sources inaccessible to those without a working knowledge of Hebrew
