The Unveiling Age Of Faith:

The Unveiling Tamara Leigh, 2015-10-20 12th century England Two men vie for the throne King Stephen the usurper and young Duke Henry the rightful heir Amid civil and private wars alliances are formed loyalties are betrayed families are divided and marriages are made For four years Lady Annyn Bretanne has trained at arms with one end in mind to avenge her brother's murder as God has not deemed it worthy to do Disguised as a squire she sets off to exact revenge on a man known only by his surname Wulfrith But when she holds his fate in her hands her will wavers and her heart whispers that her enemy may not be an enemy after all Baron Wulfrith renowned trainer of knights allows no women within his walls for the distraction they breed What he never expects is that the impetuous young man sent to train under him is a woman who seeks his death nor that her unveiling will test his faith and distract the warrior from his purpose The Longing Tamara Leigh, 2015-11-12 THE ONE HE CAN NEVER FORGIVE For years Lady Susanna de Balliol has borne the blame for betrayal well earned though not as believed by the man she can never forget Now her nephew must prove his legitimacy or lose his claim to his father's lands When Susanna is forced to flee with the boy following an attempt on his life will the one man who knows the truth of her nephew's birth grant them sanctuary within his walls More will he aid the woman whom he believes cost him the love of his life THE ONE SHE CAN NEVER FORGET Eleven years a long time to have loved and lost Certain he will not love again Everard Wulfrith has committed his life to the command of Wulfen Castle But when the girl whose betrayal he can never forgive appears to him as a grown woman and demands he atone for his sins can he lay bare his past to aid her nephew And what of his unexpected feelings for the scandalous Susanna de Balliol whose indiscretions may very well put his own to shame **The Vexing** Tamara Leigh, 2017-04-21 Tamara Leigh invites readers to return to the medieval Age of Faith series with a romance three years in the making Sir Durand's tale A VEXING LADY Answering her father's summons to return home Lady Beata Fauvel must evade capture by noblemen who seek to wed a great heiress But when she falls into the hands of Queen Eleanor of England she discovers her sovereign has plans of her own for the lady known France over as The Vestal Widow Now Beata must not only escape the knight entrusted with ensuring she does not wed without permission but survive a storm tossed sea and revelation of a long buried secret that could destroy her family And what of a heart that wants what it cannot have Will it only ever beat for the queen's man A REPENTANT KNIGHT For years Sir Durand Marshal has faithfully served his queen as penance for betrayal of the Wulfrith family When he rescues a woman pursued by vassals of the French king he is charged with delivering to England the nearly scandalous lady who has only a name in common with the one he once loved Though he never expects to feel anything beyond annoyance for the outspoken Lady Beata he finds himself drawn to yet another woman denied him Can he fulfill his duty to his liege Or will he forsake his redemption and forever ruin his reputation more the lady's The Yielding Tamara Leigh, 2015-11-12 The Unveiling the first book in the Age of Faith series introduced readers to the formidable Wulfrith family during Duke Henry's battle for England's throne in 1153

Now four years later Henry wears the crown but the Wulfriths are no less defiant and no more amenable to forging alliances through king decreed marriage SHE HAD KILLED A MAN OR SO IT WAS SAID Convent bound Lady Beatrix Wulfrith is determined to aid her sister in escaping marriage to their family's enemy Unaware of the sacrifice that awaits her she leads their pursuers astray only to meet with an accident that forever alters her destiny and takes the life of a young knight whose brother vows he will not rest until the lady is brought to justice Lord Michael D Arci is a warrior and a womanizer whose foul mouth and impatience bode ill for all who trespass against him Falsely accused of ravishment years earlier he refuses to believe Lady Beatrix's accusations against his deceased brother However when he finds himself at the mercy of that same woman who clings to her convictions and faith even when it threatens to prove her undoing his quest for justice wavers

The Kindling Tamara Leigh,2015-11-12 TIS SAID FAMILY CREATES A MULTITUDE OF SINS Helene of Tippet is not her father or her brother's keeper Yet when she is enlisted to use her healing skills to aid a fallen knight the secret she holds close threatens to visit her family's sins upon her Now she is in danger of loving where she should not a man of the nobility and one who has cause to despise her if ever he learns of the blood that courses through her veins Dare she reveal herself Dare she trust a warrior so bitter and intent on revenge Dare she love Sir Abel Wulfrith a man bred to battle has the scar to prove one should never trust a woman But when he is wounded by his family's enemy he finds himself at the mercy of one who could prove his undoing Now he faces a battle against which no strategy can prevail no blade can defend no heart can escape unscathed Can he forgive Helene the sins of the father more the sins of the brother Can he reclaim his faith Can he love *The Redeeming* Tamara Leigh,2015-11-12 IN THE EYES OF THE CHURCH AND MEN HERS IS NO SMALL SIN

Lady Gaenor Wulfrith is a woman scorned And King Henry's pawn After three broken betrothals she is ordered to wed her family's enemy a man she has never met and has good reason to fear Faced with the prospect of an abusive marriage that will surely turn worse when her sin is revealed she flees her family's home with the aid of a knight a man who could prove her ruin Christian Lavonne the only remaining heir to the barony of Abingdale has thrown off his monk's robes and God to administer his lands Determined to end the devastation wrought by his family's feud with the Wulfriths he agrees to marry his enemy's sister a woman no man seems to want When he learns she has fled with a knight who has broken fealty with the Wulfriths he pursues her knowing that when they meet his own sin will be revealed and he will be as much in need of redemption as the woman who may carry another man's child NIV, Voices of Faith Devotional Bible
