The Three Pure Land Sutras Hisao Inagaki,1995 *The Three Pure Land Sutras* ,2003 The larger sutra on Amit yus Taish volume 12 number 360 The sutra on contemplation of Amit yus Taish volume 12 number 365 The smaller sutra on Amit yus Taish volume 12 number 366 *Taixu's 'On the Establishment of the Pure Land in the Human Realm'* Charles B. Jones,2021-01-14 In this book Charles B Jones provides the first English language translation of one of the most important texts of modern Chinese Buddhism monk reformer Taixu s *On the Establishment of the Pure Land in the Human Realm* The essay written in 1926 as part of Taixu s attempt to revive Chinese Buddhism with a Humanistic Buddhist approach incorporates Western thought into a reconstruction of the idea of the Pure Land in the human realm In his commentary on the text Jones argues that it has been widely misunderstood and mischaracterized Jones demonstrates that besides laying out the very modern idea of the Pure Land in the human realm as a slogan for Buddhist engagement with the problems of the modern world the essay does not as commonly assumed discourage practices leading to rebirth in the Pure Land He also shows that the human realm can mean anywhere in Buddhist cosmology that humans reside and that the essay s attempts to reconcile Buddhism with modern science is tentative and incomplete Jones reveals that the essay promotes visions of both paradises and utopias and that Taixu supports his ideas with many lengthy sutra quotations The book concludes with an examination of how Taixu s followers developed the idea of the Pure Land in the human realm into a more coherent and modernized ideal *Three Pure Land Sutras, The* 三寶經,1995 *GUIDANCE AND INSIGHT FROM THE BUDDHA* Various Authors,2024-10-23 This book offers a selection from a broad range of Buddhist texts You will find here passages that may inspire guide and challenge you Overall they give a picture of this great tradition as it has been lived down the centuries

Chinese Pure Land Buddhism Charles B. Jones, 2019-09-30

Chinese Pure Land Buddhism Understanding a Tradition of Practice is the first book in any western language to provide a comprehensive overview of Chinese Pure Land Buddhism Even though Pure Land Buddhism was born in China and currently constitutes the dominant form of Buddhist practice there it has previously received very little attention from western scholars In this book Charles B Jones examines the reasons for the lack of scholarly attention and why the few past treatments of the topic missed many of its distinctive features He argues that the Chinese Pure Land tradition with its characteristic promise of rebirth in the Pure Land to even non elite or undeserving practitioners should not be viewed from the perspective of the Japanese Pure Land tradition which differs greatly More accurately contextualizing Chinese Pure Land Buddhism within the landscape of Chinese Buddhism and the broader global Buddhist tradition this work celebrates Chinese Pure Land not as a school or sect but as a unique and inherently valuable tradition of practice This volume is organized thematically clearly presenting topics such as the nature of the Pure Land the relationship between self power and other power the practice of nianfo buddha recollection and the formation of the line of patriarchs that keep the tradition grounded It guides us in understanding the vigorous debates that Chinese Pure Land Buddhism evoked and delves into the rich apologetic literature that it produced in its own defense Drawing upon a wealth of previously unexamined primary source materials as well as modern texts by contemporary Chinese Pure Land masters the author provides lucid translations of resources previously unavailable in English He also shares his lifetime of experience in this field enlivening the narrative with personal anecdotes of his visits to sites of Pure Land practice in China and Taiwan The straightforward and nontechnical prose makes this book a standby resource for anyone interested in pursuing research in this lively sophisticated and still evolving religious tradition Scholars including undergraduates specializing in East Asian Buddhism as well as those interested in Buddhism or Chinese religion and history in general will find this book invaluable
