PhD, 2003-09-12 The premise of Awakening to the Spirit Within is that all beings are connected by a spiritual energy which forms the essence of who they truly are Eight paths which facilitate an awakening to this essence are explored Native American Spirituality Taoism Hinduism Buddhism Kabbalah Jesus and the Christ Within Sufism and The New Thought Movement Practice exercises and references are also included This book highlights some of the unique gifts which various spiritual traditions have to offer our world In addition it explores the mystical threads of connection which underlie them Like the title suggests it also gives ways of listening to guidance from within The author includes messages from her own inner

guidance in an effort to illustrate how this may occur Her openness provides more warmth and intimacy than is usually found in such a book In these uncertain times there has been an upsurge of interest in books related to spirituality religion and mysticism People are looking for ways to heal rather than destroy our planet That is why this book and others like it are so timely and important in moving us closer to our shared goal of creating a more peaceful and harmonious world **Nothing to Lose** Nigel Wellings,Elizabeth Wilde McCormick,2005-01-01 For all those immersed in the traditions of Christian contemplation there is new understanding derived from the study of Buddhist traditions and the classical schools of psychotherapy While both Freud and Jung each in their own way describe for us a means to expand the boundaries of the personal self Buddhism challenges the very existence of this self suggesting that it is the belief in its concrete existence that is at root the cause of all suffering How then may these two radically different views find a place of meeting The process involves emptying out as expounded by the great Christian mystics St John of the Cross Eckhart Julian of Norwich and in the process the individual may be helped to cope with the stresses and pitfalls of modern living neurotic anxiety depression and narcissism **The Spiritual Journey of the Warrior** Brendan Michaels,2008 **Century Path** ,1906
