Things We Said Today Conversations With The Beatles:

Things We Said Today, 1998 *The Beatles* Bob Spitz, 2012-06-25 The definitive biography of The Beatles hailed as irresistible by the New York Times riveting by the Boston Globe and masterful by Time As soon as The Beatles became famous the spin machine began to construct a myth one that has continued to this day But the truth is much more interesting much more exciting and much more moving the highs and the lows the love and the rivalry the awe and the jealousy the drugs the tears the thrill and the magic to never be repeated In this vast revelatory exuberantly acclaimed and bestselling book Bob Spitz has written the biography for which Beatles fans have long waited The Art of the Interview Lawrence Grobel, 2010-05-05 THE ULTIMATE INSIDER S LOOK AT THE FINE ART OF INTERVIEWING I had a fantasy the other night that this interview is so great that they no longer want me to act just do interviews I thought of us going all over the world doing interviews we ve signed for three interviews a day for six weeks Al Pacino in an interview with Lawrence Grobel Highly respected in journalist circles and hailed as the Interviewer s Interviewer Lawrence Grobel is the author of well received biographies of Truman Capote Marlon Brando James Michener and the Huston family with bylines from Rolling Stone and Playboy to the New York Times He has spent his thirty year career getting tough subjects to truly open up and talk Now in *The Art of the Interview* he offers step by step instruction on all aspects of nailing an effective interview and provides an inside look on how he elicited such colorful responses as I don t like Shakespeare I d rather be in Malibu Anthony Hopkins Feminists don t like me and I don t like them Mel Gibson I hope to God my friends steal my body out of a morgue and throw a party when I m dead Drew Barrymore I want you out of here And I want those goddamn tapes Bob Knight I smoked pot with my father when I was eleven in 1973 He thought he was giving me a mind extending experience just like he used to give me Hemingway novels and Woody Allen films Anthony Kiedis In *The Art of the Interview* Grobel reveals the most memorable stories from his career along with examples of the most candid moments from his long list of famous interviewees from Oscar winning actors and Nobel laureates to Pulitzer Prizewinning writers and sports figures Taking us step by step through the interview process from research and question writing to final editing *The Art of the Interview* is a treat for journalists and culture vultures alike *The Making of John Lennon* Francis Kenny, 2018-07-11 Despite the nearly universal fame of the Beatles many people only know the fairytale version of the iconic group s rise to fame Drawing on his extensive knowledge of Liverpool Francis Kenny reveals the real John Lennon who preceded the legend showing how his childhood shaped his personality creative process and path to success and how it also destroyed his mental health leading to the downfall of one of the most confident and brilliant musicians of the past century *The Making of John Lennon* is a must read for any Beatles fan It explains how Lennon s turbulent family background affected his relationships why the true inspiration for Strawberry Fields could not be revealed how Pete Best s college connection led to his removal from the group and why class backgrounds were the real reason for the breakup of the legendary band Offering a complex portrait of Lennon s early life

The Making of John Lennon tells the true story behind the rise of the legendary icon **Fandom and the Beatles** Kenneth Womack, Kit O'Toole, 2021 More than 50 years after their breakup the Beatles are still attracting fans from various generations all while retaining their original fan base from the 1960s Why have those first generation fans continued following the Beatles and are now introducing their grandchildren to the group Why are current teens affected by the band's music And perhaps most importantly how and why do the Beatles continue to resonate with successive generations Unlike other bands of their era the Beatles seem permanently frozen in time having never descended into nostalgia act territory Instead even after the announcement of the band's breakup in 1970 the group has maintained its cultural and musical relevance Their timeless quality appeals to younger generations while maintaining the loyalty of older fans While the Beatles indeed represent a specific time period their music and words address issues as meaningful today as they were during the Summer of Love politics war sex drugs art and creative liberation As the first anthology to assess the nature of fan response and the band's enduring appeal *Fandom and the Beatles The Act You've Known for All These Years* defines and explores these unique qualities and the key ways in which this particular pop fusion has inspired such loyalty and multigenerational popularity *The Cambridge Companion to the Beatles* Kenneth Womack, 2009-11-12 From Please Please Me to Abbey Road the fascinating story of the Fab Four's creation works and enduring musical legacy *The Beatles and Sixties Britain* Marcus Collins, 2020-03-05 In this rigorous study Marcus Collins reconceives the Beatles' social, cultural and political impact on sixties Britain **Things We Said Today** Phil Bowen, 1995 **Sound, Society and the Geography of Popular Music** Dr Ola Johansson, Professor Thomas L Bell, 2012-11-28 Popular music is a cultural form much rooted in space and place This book interprets the meaning of music from a spatial perspective and in doing so it furthers our understanding of broader social relations and trends including identity attachment to place, cultural economies, social activism and politics The book's editors have brought together a team of scholars to discuss the latest innovative thinking on music and its geographies illustrated with a fascinating range of case studies from the USA, Canada, the Caribbean, Australia and Great Britain

Lennon in America Geoffery Giuliano, 2001-07-02 This eye opening look at the years that Lennon lived in America show the former Beatle in all his contradictions devoted husband, wanton adulterer, pacifist with a temper, doting father and absentee dad 67 photos **Conversations with McCartney** Paul Du Noyer, 2016-10-18 One of the most fascinating portraits to date of one of the most important cultural icons of our age Choice In June 1989 Paul Du Noyer was contacted by Paul McCartney's office in London They asked him to interview the star McCartney and Du Noyer had met once before and enjoyed a good rapport In the years that followed Du Noyer continued to meet, interview and work for Paul McCartney on a regular basis producing magazine articles, tour programs, album liner notes, press materials and editorial content for McCartney's website Du Noyer has spent more hours in formal recorded conversation with McCartney than any other writer *Conversations with McCartney* is the culmination of Du Noyer's long association with McCartney and his music Drawing from

their interview sessions across thirty five years and coupling McCartney's own candid thoughts with Du Noyer's observations and analysis *Conversations with McCartney* is beautifully written a sensitive shrewd portrait of one of the most accomplished musical artists of our time Readers get to hear the seemingly ageless former Beatle discuss a variety of topics songwriting religion and spirituality his enduring relationship with Linda Eastman his reflections on the breakup of the Beatles and life after the group Publishers Weekly A welcome contribution to a growing body of serious but not solemn work about The Fabs Kirkus Reviews *New Critical Perspectives on the Beatles* Kenneth Womack,Katie Kapurch,2016-06-09 The Beatles are probably the most photographed band in history and are the subject of numerous biographical studies but a surprising dearth of academic scholarship addresses the Fab Four *New Critical Perspectives on the Beatles* offers a collection of original previously unpublished essays that explore new aspects of the Beatles The interdisciplinary collection situates the band in its historical moment of the 1960s but argues for artistic innovation and cultural ingenuity that account for the Beatles lasting popularity today Along with theoretical approaches that bridge the study of music with perspectives from non music disciplines the texts under investigation make this collection new in terms of Beatles scholarship Contributors frequently address under examined Beatles texts or present critical perspectives on familiar works to produce new insight about the Beatles and their multi generational audiences **Lennon On Lennon: Conversations With John Lennon** Jeff
