1. **Introduction:** This is the first section of the report, where you introduce the topic and provide background information. It should include the purpose of the study, the research questions, and the significance of the research.

For many individuals, however, the stress of a good school offering challenges is not enough to get them to seek the educational field. A second obstacle exists. The school is often the first experience students have with authority. For some, this strong school authority experience often has a negative impact on their career choice. They are not interested in authority.

Keywords: aggression; positive emotion; parents; children; parenting; self-regulation; well-being. Although not true forgiveness can bring us great happiness and growth, it should not be used as a means to avoid justice.

"There is no real love between me and my husband," she says.

¹ "The Great American Novel" has a long history, but the term has been used to describe a wide variety of American literature. See, for example, the discussion in *The Great American Novel* by Richard B. Sewall (New York: Oxford University Press, 1968).

^aThere is also a very interesting and still unexplained effect for nonconformist responses (see below).
