The Chimakum and the Quilliate. The Willapa Edward S. Curtis,1913 A comprehensive and permanent record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions The value of such a work in great measure will lie in the breadth of its treatment in its wealth of illustration and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the superior race It has been the aim to picture all features of the Indian life and environment types of the young and the old with their habitations industries ceremonies games and everyday customs Though the treatment accorded the Indians by those who lay claim to civilization and Christianity has in many cases been worse than criminal a rehearsal of these wrongs does not properly find a place here General introduction *At the Jazz Band Ball* Nat Hentoff,2010-06-01 Nat Hentoff renowned jazz critic civil liberties activist and fearless contrarian I m a Jewish atheist civil libertarian pro lifer has lived through much of jazz s history and has known many of jazz s most important figures often as friend and confidant Hentoff has been a tireless advocate for the neglected parts of jazz history including forgotten sidemen and women This volume includes his best recent work short essays long interviews and personal recollections From Duke Ellington and Louis Armstrong to Ornette Coleman and Quincy Jones Hentoff brings the jazz greats to life and traces their art to gospel blues and many other forms of American music At the Jazz Band Ball also includes Hentoff s keen cosmopolitan observations on a wide range of issues The book shows how jazz and education are a vital partnership how free expression is the essence of liberty and how social justice issues like health care and strong civil rights and liberties keep all the arts and all members of society strong *A Parcel of Rogues* Niall Illingworth,2019-11-12 A man goes missing whilst fishing at Greenbrier Bridge At the exclusive Marsco College the lodge house is broken into and days later an old foe meets a violent end Charlie Finch is hoping for a quiet start in his new job as acting lieutenant in seemingly peaceful Greenbrier County Things don t quite go to plan and soon he finds himself at odds with his irascible Chief of Police Investigations into these apparently unconnected events slowly converge on Marsco College where powerful people have secrets they d rather not be revealed **Parallel Lies and Loving Vengeance** Georgia Rose,2020-10-22 A woman with a hidden past A new love on the horizon Will the truth set her

free or cost her everything In *Parallel Lies* Madeleine Ross has meticulously organized her world to leave no trace of her criminal past After creating a new identity for herself her only remaining connection to her previous life is the security work she does for a small town insurance company But when she starts falling for her handsome boss Dan she s worried letting him in will expose secrets best kept locked away As their attraction grows stronger Madeleine s attempts to keep Dan in the dark go horribly wrong when a dangerous ex emerges from her unsavoury past After her former flame makes her an offer she can t refuse she has one choice left ditch her life as a thief to let Dan in or embrace her shady dealings to destroy her only shot at a happy future As the story continues in *Loving Vengeance* Madeleine s world once so organised is a mess Suffering the fallout from the mistakes she made with Tag she has no idea where she stands with Dan Are they only friends or is there still a chance for something more Enter James cool calm and calculated A stranger she thinks But he knows her and he comes with an opportunity she can t refuse involving an enemy she d tried to forget At first keen to return to her past Madeleine soon realises it s not only the gang that s changed and battles her own demons as well as an unpredictable villain Can Dan step up when he s needed Or will it be James who rides in to the rescue Because when things go badly for Madeleine and all hope seems lost there is only one who can save the day And only one who can bring more to the task than merely himself If you like strong heroines character driven action and powerful emotions then you ll love the Ross Duology
