"James Barry, 1741-1806: History Painter" Tom Dunne, 2017-07-05

Bringing into relief the singularity of Barry's unswerving commitment to his vision for history painting, despite adverse cultural, political, and commercial currents, these essays on Barry and his contemporaries offer new perspectives on the painter's life and career. Contributors, including some of the best-known experts in the field of British eighteenth-century studies, set Barry's works and writings into a rich political and social context, particularly in Britain. Among other notable achievements, the essays shed new light on the influence which Barry's radical ideology and his Catholicism had on his art; they explore his relationship with Reynolds and Blake and discuss his aesthetics in the context of Burke and Wollstonecraft, as well as Fuseli and Payne Knight. The volume is an indispensable resource for scholars of eighteenth-century British painting, patronage, aesthetics, and political history. **Drums Along the Mohawk** Walter D. Edmonds, 2015-02-03. The bestselling novel behind John Ford's acclaimed film, starring Claudette Colbert, Henry Fonda, and Edna May Oliver. When newlyweds Gilbert and Lana Martin settle in the Mohawk Valley in 1776, they work tirelessly against the elements to build a new life. But even as they clear land and till soil to establish their farm, the shots of the Revolutionary War become a rallying cry for both the loyalists and the patriots. Soon Gil and Lana see their neighbors choose sides against each other as British and Iroquois forces storm the valley, targeting anyone who supports the revolution. Originally published in 1936, this classic novel was a bestseller for two years, second only to *Gone with the Wind*, and was adapted into a motion picture in 1939. Now, some three quarters of a century later, *Drums Along the Mohawk* stands as a brilliant account of the majesty of the New York frontier, the timeless

rhythms that shape a marriage and the battles of a revolution that would change the world Foreword by Diana Gabaldon
