Violence At The Urban Margins Global And Comparative Ethnography:

Violence at the Urban Margins Javier Auyero,Philippe I. Bourgois,Nancy Scheper-Hughes,2015 The inhabitants of the urban margins are hardly ever heard in discussions about public safety **Narrow Fairways** Patrick Inglis,2019-07-01 In *Narrow Fairways* Patrick Inglis tracks the experiences of poor lower caste golf caddies at exclusive golf clubs in Bangalore India s Silicon Valley as they struggle against caste and class discrimination to lift up themselves and their families

Policing the Revolution Rebecca Hanson,2025-03-04 In *Policing the Revolution* Rebecca Hanson provides the first in depth analysis of policing and security policies during the Bolivarian Revolution in Venezuela focusing on the experiences of three groups police officers police reformers and residents of neighborhoods most affected by violence Drawing on ethnographic interview and survey research collected over ten years she analyzes how security policies within the context of the pink tide and later turn to authoritarianism contributed to the expansion of lateral violence and the pluralization of non state violent actors Rethinking the relationship between revolution violence and state building this book is essential reading to understand how and why violence increased so dramatically in Venezuela in the twenty first century *Prisons and Crime in Latin America* Marcelo Bergman,Gustavo Fondevila,2021-03-11 This groundbreaking work examines Latin America s prison crisis and the failure of mass incarceration policies As crime rates rose over the past few decades policy makers adopted incarceration as the primary response to public outcry Yet as the number of inmates increased crime rates only continued to grow Presenting new cross national data based on extensive surveys of inmates throughout the region this book explains the transformation of prisons from instruments of incapacitation deterrence and rehabilitation to drivers of violence and criminality Bergman and Fondevila highlight the impacts of internal drug markets and the dramatic increase in the number of imprisoned women Furthermore they show how prisons are not isolated from society they are sites of active criminal networks with many inmates maintaining fluid criminal connections with the outside world Rather than reducing crime prisons have become an integral part of the crime problem in Latin America *Lives on the Line* Jeffrey J. Sallaz,2019 The call center industry is booming in the Philippines Around the year 2005 the country overtook India as the world s voice capital and industry revenues are now the second largest contributor to national GDP In *Lives on the Line* Jeffrey J Sallaz retraces the assemblage of a global market for voice over the past two decades Drawing upon case studies of sixty Filipino call center workers and two years of fieldwork in Manila he illustrates how offshore call center jobs represent a middle path for educated Filipinos who are faced with the dismaying choice to migrate abroad in search of prosperity versus stay at home as an impoverished professional A rich ethnographic study this book challenges existing stereotypes regarding offshore service jobs and sheds light upon the reasons that the Philippines has become the world s favored location for voice It looks beyond call centers and beyond India to advance debates concerning global capitalism the future of work and the lives of those who labor in offshored jobs *From South Central to Southside* Adam Baird,2024-07-12 This book looks at violent

gang cultures in Belize City arguing that hegemonic masculinities imported from American gang cultures through deportation and popular media evolved in a context of postcolonial extreme poverty and disorganized urban life to drive a deadly culture of gendered violence

The Ambivalent State Javier Auyero, Katherine Sobering, 2019-11-04 Over the last few decades debates about policing in poor urban areas have turned from analyzing the state's neglect and abandonment into documenting its harsh interventions and punishing presence Yet we know very little about the covert world of state action that is hidden from public view In *The Ambivalent State* Javier Auyero and Katherine Sobering offer an unprecedented look into the clandestine relationships between police agents and drug dealers in Argentina Drawing on a unique combination of ethnographic fieldwork and documentary evidence including hundreds of pages of wiretapped phone conversations they analyze the inner workings of police criminal collusion its connections to drug markets and how it promotes cynicism and powerlessness in daily life They argue that an up close examination of covert state action exposes the workings of an ambivalent state one that both enforces the rule of law and functions as a partner in criminal behavior *The Ambivalent State* develops a political sociology of violence that focuses not only on what takes place in police stations courts and poor neighborhoods but also the clandestine actions and interactions of police judges and politicians that structure daily life at the urban margins

Concrete Jungles Rivke Jaffe, 2016-03-29 In the popular imagination the Caribbean islands represent tropical paradise This image which draws millions of tourists to the region annually underlies the efforts of many environmentalists to protect Caribbean coral reefs mangroves and rainforests However a dark side to Caribbean environmentalism lies beyond the tourist's view in urban areas where the islands' poorer citizens suffer from exposure to garbage untreated sewage and air pollution *Concrete Jungles* explores the reasons why these issues tend to be ignored demonstrating how mainstream environmentalism reflects and reproduces class and race inequalities Based on over a decade of research in Kingston Jamaica and Willemstad Curaçao Rivke Jaffe contrasts the environmentalism of largely middle class professionals with the environmentalism of inner city residents The book combines a sophisticated discussion of the politics of difference with rich ethnographic detail including vivid depictions of Caribbean ghettos and elite enclaves Jaffe also extends her analysis beyond ethnographic research seeking to understand the role of colonial history in shaping the current trends in pollution and urban space A thorough analysis of the hidden inequalities of mainstream environmentalism *Concrete Jungles* provides a political ecology of urban pollution with significant implications for the future of environmentalism

Sociological Abstracts Leo P. Chall, 2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Alternative Press Index, 1997 **Abstracts of the Annual Meeting** American Anthropological Association, 2000 **America, History and Life**, 2005 Article abstracts

and citations of reviews and dissertations covering the United States and Canada **Social Sciences Index** ,1999 *MLA International Bibliography of Books and Articles on the Modern Languages and Literatures* ,2007 **In Harm's Way** Javier Auyero,María Fernanda Berti,2016-08-02 A harrowing look at violence among Argentina s urban poor Arquitecto Tucci a neighborhood in Buenos Aires is a place where crushing poverty and violent crime are everyday realities Homicides often involving young people continue to skyrocket and in the emergency room there victims of shootings or knifings are an all too common sight In Harm s Way takes a harrowing look at daily life in Arquitecto Tucci examining the sources uses and forms of interpersonal violence among the urban poor at the very margins of Argentine society Drawing on more than two years of immersive fieldwork sociologist Javier Auyero and Mar a Berti an elementary school teacher in the neighborhood provide a powerful and disarmingly intimate account of what it is like to live under the constant threat of violence They argue that being physically aggressive becomes a habitual way of acting in poor and marginalized communities and that violence is routine and carries across various domains of public and private life Auyero and Berti trace how different types of violence be it criminal drug related sexual or domestic overlap intersect and blur together They show how the state is complicit in the production of harm and describe the routines and relationships that residents particularly children establish to cope with and respond to the constant risk that besieges them and their loved ones Provocative eye opening and extraordinarily moving In Harm s Way is destined to become a classic work on violence at the urban margins Burning Matters Peter C. Little,2022 Global trade in electronic waste e waste has led to various waste management challenges and many regions of the Global South have suffered the toxic consequences In Burning Matters Peter C Little explores the complex cultural economic and environmental health politics of e waste work in Ghana He brings to light the lived experiences of Ghana s e waste workers as they navigate the health social and economic challenges of highly toxic e waste labor In particular Little engages the experiences of e waste workers who burn bundles of electrical cables to extract copper a practice that contaminates bodies and the urban environment and which has attracted international organizations seeking to mitigate risk and find quick tech solutions to this highly toxic e waste work A nuanced perspective on e waste burning and environmental politics in Africa at a time when global e waste generation and trade is at an all time high Burning Matters contends that e waste interventions devoid of ethnographic perspective and knowledge risk downplaying the vibrant complexities of e waste itself and the matters of social life and labor that matter most to Ghana s e waste workers **Violence** Pamela Stewart,Andrew Strathern,2002-01-01 This book provides a wide ranging introduction to the meaning and context of violence The authors build upon David Riches s concept of the triangle of violence which examines the relationship between performers victims and witnesses and his proposition that violence is marked by contests regarding its legitimacy as a social act Adopting an approach which looks at the negotiated and contingent nature of violent behavior Stewart and Strathern particularly stress the powerful underlying motivation for revenge and the often unacknowledged association between ideas of revenge and

concepts of justice These theoretical perspectives are applied to in depth case studies from Rwanda Urundi Sri Lanka and Northern Ireland The authors also draw on extensive field experience in Papua New Guinea and ethnographic detail is used to address broader issues of considerable global importance

The spatiality and temporality of urban violence Mara Albrecht, Alke Jenss, 2023-11-14 This edited volume asks how the city with its spatial and temporal configuration and its rhythms produces and shapes violence both in terms of the built environment and through particular urban social relations The book builds on the insight that violence itself is a spatiotemporal practice with generative capacities which produces and transforms urban space and time in the long turn also through the impact of memory The analytical categories of space and time must be thought as inextricably linked with each other Expanding this fundamental conceptual idea offers fresh perspectives on urban violence The book unites case studies on different world regions and historical periods and thus challenges assumed binaries of cities the global North and South the past and present

Social Theories of Urban Violence in the Global South Jennifer Erin Salahub, Markus Gottsbacher, John de Boer, 2018-04-19 While cities often act as the engines of economic growth for developing countries they are also frequently the site of growing violence poverty and inequality Yet social theory largely developed and tested in the Global North is often inadequate in tackling the realities of life in the dangerous parts of cities in the Global South Drawing on the findings of an ambitious five year 15 project research programme Social Theories of Urban Violence in the Global South offers a uniquely Southern perspective on the violence poverty inequalities dynamics in cities of the Global South Through their research urban violence experts based in low and middle income countries demonstrate how urban violence means different things to different people in different places While some researchers adopt or adapt existing theoretical and conceptual frameworks others develop and test new theories each interpreting and operationalizing the concept of urban violence in the particular context in which they work In particular the book highlights the links between urban violence poverty and inequalities based on income class gender and other social cleavages Providing important new perspectives from the Global South this book will be of interest to policymakers academics and students with an interest in violence and exclusion in the cities of developing countries

Urban Outcasts Loïc Wacquant, 2013-04-26 Breaking with the exoticizing cast of public discourse and conventional research Urban Outcasts takes the reader inside the black ghetto of Chicago and the deindustrializing banlieue of Paris to discover that urban marginality is not everywhere the same Drawing on a wealth of original field survey and historical data Lo c Wacquant shows that the involution of America s urban core after the 1960s is due not to the emergence of an underclass but to the joint withdrawal of market and state fostered by public policies of racial separation and urban abandonment In European cities by contrast the spread of districts of exclusion does not herald the formation of ghettos It stems from the decomposition of working class territories under the press of mass unemployment the casualization of work and the ethnic mixing of populations hitherto segregated spawning urban formations akin to anti ghettos Comparing the US Black Belt with the

French Red Belt demonstrates that state structures and policies play a decisive role in the articulation of class race and place on both sides of the Atlantic It also reveals the crystallization of a new regime of marginality fuelled by the fragmentation of wage labour the retrenchment of the social state and the concentration of dispossessed categories in stigmatized areas bereft of a collective idiom of identity and claims making These defamed districts are not just the residual sinkholes of a bygone economic era but also the incubators of the precarious proletariat emerging under neoliberal capitalism Urban Outcasts sheds new light on the explosive mix of mounting misery stupendous affluence and festering street violence resurging in the big cities of the First World By specifying the different causal paths and experiential forms assumed by relegation in the American and the French metropolis this book offers indispensable tools for rethinking urban marginality and for reinvigorating the public debate over social inequality and citizenship at century s dawn

Delve into the emotional tapestry woven by Crafted by in Experience **Violence At The Urban Margins Global And Comparative Ethnography** . Violence At The Urban Margins Global And Comparative Ethnography Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Violence At The Urban Margins Global And Comparative Ethnography PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Violence At The Urban Margins Global And Comparative Ethnography PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Violence At The Urban Margins Global And Comparative Ethnography free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Violence At The Urban Margins Global And Comparative Ethnography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Violence At The Urban Margins Global And Comparative Ethnography is one of the best book in our library for free trial. We provide copy of Violence At The Urban Margins Global And Comparative Ethnography in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Violence At The Urban Margins Global And Comparative Ethnography. Where to download Violence At The Urban Margins Global And Comparative Ethnography online for free? Are you looking for Violence At The Urban Margins Global And Comparative Ethnography PDF? This is definitely going to save you time and cash in something you should think about.
