Virtue Ethics Prometheus Lecture Series:

Varieties of Virtue Ethics David Carr, James Arthur, Kristján Kristjánsson, 2016-11-30 This book explores recent developments in ethics of virtue While acknowledging the Aristotelian roots of modern virtue ethics with its emphasis on the moral importance of character this collection recognizes that more recent accounts of virtue have been shaped by many other influences such as Aquinas Hume Nietzsche Hegel and Marx Confucius and Lao tzu The authors also examine the bearing of virtue ethics on other disciplines such as psychology sociology and theology as well as attending to some wider public professional and educational implications of the ethics of virtue This pioneering book will be invaluable to researchers and students concerned with the many contemporary varieties and applications of virtue ethics *Virtue Ethics* Richard Taylor, 2002-03 In this fresh evaluation of Western ethics noted philosopher Richard Taylor argues that philosophy must return to the classical notion of virtue as the basis of ethics To ancient Greek and Roman philosophers ethics was chiefly the study of how individuals attain personal excellence or virtue defined as intellectual sophistication wisdom strength of character and creativity With the ascendancy of the Judeo Christian ethic says Taylor this emphasis on pride of personal worth was lost Instead philosophy became preoccupied with defining right and wrong in terms of a divine lawgiver and the concept of virtue was debased to mean mere obedience to divine law Even today in the absence of religious belief modern thinkers unwittingly continue this legacy by creating hairsplitting definitions of good and evil Taylor points out that the ancients rightly understood the ultimate concern of ethics to be the search for happiness a concept that seems to have eluded contemporary society despite unprecedented prosperity and convenience Extolling Aristotle's *Nicomachean Ethics* Taylor urges us to reread this brilliant and still relevant treatise especially its emphasis on an ethic of aspiration The Post-secular in Question Philip Gorski, 2012-03-12 This collection of original essays by leading academics represents an interdisciplinary intervention in the continuing and ever transforming discussion of the role of religion and secularism in today's world Foregrounding the most urgent and compelling questions raised by the place of religion in the social sciences past and present *The Post Secular in Question* restores religion to a more central place in social scientific thinking about the world helping to move scholarship beyond unbelief book jacket *A Companion to Greek and Roman Political Thought* Ryan K. Balot, 2012-12-26 A COMPANION TO GREEK AND ROMAN POLITICAL THOUGHT Justice virtue and citizenship were at the center of political life in ancient Greece and Rome and were frequently discussed by classical poets historians and philosophers This Companion illuminates Greek and Roman political thought in all its range diversity and depth Thirty four essays from leading scholars in history classics philosophy and political science provide stimulating discussions of classical political thought ranging from the Archaic Greek epics to the final days of the Roman Empire and beyond These essays strike a judicious yet thought provoking balance between theoretical and historical perspectives *A Companion to Greek and Roman Political Thought* is an authoritative guide to the ancient Greek and Roman political questions that continue to shape and

challenge the modern world *A Good Way to Go* Colin G. Jamieson, 2013-06-25 *A Good Way to Go* considering self determination mercy self termination tackles the difficult subjects of living dying suicide and euthanasia but concentrates on the care that can be given The book is aimed at the general public not so much to be authoritative as provide original thoughts and comprehensive enough to provide helpful material to stimulate discussions and provide an overview that might facilitate wholesome changes in our society It is said to be well written and raising new and interesting points The plea for a more merciful society begins with pastoral help to the dying a better understanding of suicide acceptance of self termination a look at ethics health services and the law in regard to euthanasia It is written from a Christian Western perspective because that is what has brought us to this place of confusion and anxiety about death and dying It is important that we take our bicultural and multicultural future very seriously in an ever increasing secular world and it would be audacious to speak on any other cultures behalf *Lectures and Essays on Natural Theology and Ethics* William Wallace, 1898 **A Companion to Ayn Rand** Allan Gotthelf, Gregory Salmieri, 2021-11-08 The first volume to offer a comprehensive scholarly treatment of Rand s entire corpus including her novels her philosophical essays and her analysis of the events of her times this Companion provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American and world culture is increasingly recognized The first publication to provide an in depth scholarly treatment ranging over the whole of Rand s corpus Provides informed contextual analysis for scholars in a variety of disciplines Presents original research on unpublished material and drafts from the Rand archives in California Features insightful and fair minded interpretations of Rand s controversial positions New Titles in Bioethics ,1999 **The Conservator** ,1890 **Books for College Libraries: Humanities** Association of College and Research Libraries, 1988 **The Shelley society's publications** Shelley society, 1884 Publications Shelley Society, 1888 *Notebook of the Shelley Society* Shelley Society, 1888 *Government Gazette* , 1890 *An Aristotelian Theory of Comedy* Lane Cooper, 1924 *The Speaker* , 1905 **The Foreigners in the Athenian Ephebia** Oscar William Reinmuth, 1929 **Studies in Language, Literature and Criticism** University of Nebraska (Lincoln campus), 1929 **Encyclopaedia of Religion and Ethics** James Hastings, John Alexander Selbie, Louis Herbert Gray, 1919 **The Pluralist** , 2007
