Vision Bearers Vision Bearers:

Igniting Christian Potential W.Z. Nsereko, 2015-04-24 One of the greatest resources in this world is called Human resource Unfortunately most of this resource has not been put to use People are ignorant and unaware of the potential in them to do great things This book is based on tried out authentic experiences and research that can help one discover their God given potential to implement their visions **Live the Life of Dreams and Visions** Bonga Thulani

Ndlangamandla, 2014-08-22 IN THIS BOOK I want to talk about the life of dreams and visions This is a very important subject in the life of a human being So let me start by saying this powerful statement life is a vision and those who have the opportunity to live are sustained by dreams and visions The first statement of the holy bible quotes that In the beginning was God Before the foundations of the earth He was there He created the heavens and the earth day and night seasons and years all different kinds of plants vegetation and animals and most importantly us humans In all this wonderful creation we note that the main focus was on man who was created for the sole purpose of dominating the earth and manifesting Gods vision Allow me to declare that God had a vision to dominate and rule in this heaven and earth that He had created However he decided to create man and give him that mandate of manifesting His kingdom here on earth We note that when every other living thing was created only words were released but with man He created them in His likeness and further breathed on him thus putting the God nature in him see Genesis 2:7 Now I hope you understand me clearly when I say life is Gods vision If you could take your time and study life in general you will agree with me that any outcome of the human life has so much to do with their dreams and visions What you are today is a result of certain actions decisions you have taken previously and most clearly they relate to your dreams and visions beliefs This applies to every human being living under the sun It is worth noting though that many peoples lives are controlled by the dreams and visions of others Not that they cannot live a life of their own dreams and visions but because of lack of knowledge and understanding of who they are and what they are capable of doing in this life I believe the subject covered in this book is very important for everybody regardless of their age race skin colour gender background etc This book will blow your mind and will cause you to understand who you are what you can achieve as well as how you can achieve those dreams and visions you have for your life It will further inform and remind you about the strongholds and pillars of unlimited success in this life Man ought to understand that he has only one opportunity to live in this world hence they have to fully utilize their opportunities to the maximum You need to understand that this life is a once off gift Physically man is born once and thereafter awaits death Now for life to have a sense of meaning and direction there is no other way but to follow the rules that will give you the best results If you take life as a game you need to understand the rules of the game in order to win So in this book we want to define life as a vision hence we will be discussing the rules of a vision thereof **The Millionaires Seat** Abam Samuel, 2015-12-18 The good news about you is that success made right what failure made wrong in your life Why Because you have a dream because you have a future We are in a

generation where capacity builders people with a dense of dreams are falling and it seems theres no rising again Are you always in the same bus stop of life Are your dreams and goals shattered And all that youve accomplished is now on the ground Im assuring you theres a lifting It is not over Note Excellent is not an accident and greatness is not a mistake to those who are goal and future minded Successful people are not giant sleepers they are vision minded people Give idleness no room because where idleness dominates failure has t he right So let the music of greatness play in you **Discovering**

Your Assignment Eunice Maina,2014-07-11 As a Christian Jesus saved you to fulfill a specific purpose You are called to undertake a God given assignment Your assignment is not a decision for you to make It is a discovery that once you make it you will find great fulfillment in your life There is no other person who can accomplish your God given assignment Don t settle for less than God s best in your life simply because you have not discovered your assignment This book provides you with a biblical approach to discovering your assignment in order to fulfill God s purpose in your life The book explains how God prepares us for the assignment how he reveals the assignment and how we can effectively accomplish the assignment By use of biblical examples the book demonstrates how God calls appoints and ordains people to undertake specific assignment I pray that as you read this book you will be encouraged and challenged to discover your assignment and pursue it with confidence
