Visions Of Kolob From Uncertainty To Truth:

The Vision of Truth and what You Have Not Been Told Danny W. Snapp, 2011 *My Vision: A Journey Through Biblical Truth* Joseph N. Padilla, 2022-08-24 I am a Christian book writer I started writing my first book in 1957 I called *Adventure the Long Walk After Christ* It took me some forty years to finish the reason it took me so long I lost confidence it was my wife who convinced me to go on She became it and after many years I became her caregiver She ended confined to her bed and a wheel chair In her last three years she was unable to speak she communicated with me by writing notes It was sad but a beautiful unity between us for 53 years One day she wrote me a note saying why don t you go back to your writing So after forty years I took her advice It took me a couple of years to finish the book She passed on in 2005 she never got to see my novel Writing stayed with me as I continued three more books including a children s novel called *Dragon Dee* and the *Fire man* Now My sixth book I call *My Vision A journey through Biblical Truth* This vision given to me I will interpret and make it simple to understand It is the story of abomination that happened in the beginning onto the day Noah entered the ark that seem to be repeating today I cannot tell why the Lord has placed this manuscript in my mind The visions that come to me I cannot explain so I sit and start writing I have no papers or a degree in theology and I am a bad speller yet my drive keeps on going Everything that I write is found in the King James Bible I comprehend the Word different than most The interpretations that I write come to life as I go on
