The Spiritual Dimension of Alternative Medicine Ernest M. Valea, 2020-02-20 We often hear that alternative medicine is superior to classical medicine for it treats us holistically both the physical body and the immaterial part of our nature Although such an approach seems desirable it is precisely this aspect that opens the door to spiritual views incompatible with Christianity Many forms of alternative medicine speak of a divine essence we allegedly possess of a vital force that we can manipulate of spiritual beings that can help us and other such views closely related to Eastern religions and New Age thought In their desire to find healing at any price Christians often resort to these methods without realizing the spiritual danger involved For Christians who want to live consistently with their faith this book is intended to raise awareness of the hidden beliefs of alternative medicine

Complementary and Alternative Medicine Ruth Barcan, 2020-05-26 Alternative therapies once the province of the hippie counterculture are now a mainstream phenomenon But they are more than a medical and economic sensation At once spiritual and bodily medical and recreational they are an enormously popular cultural practice bound up with the pleasure seeking drive of consumer culture as well as with spiritual and neo liberal values *Complementary and Alternative Medicine* critically examines this phenomenon which some denounce as the triumph of superstition over reason by asking practitioners themselves what makes these therapies so appealing Drawing on a wealth of interviews with *Complementary and Alternative Medicine* CAM practitioners as well as on the author's longstanding participation in CAM culture the book provides a much needed look from both the inside and the outside of the CAM phenomenon This book is essential reading for students and scholars of cultural studies anthropology sensory studies and sociology

prophylactically and preventively Complementary Medicine, Beauty and Modelling A. Listowska, Mark A. Nicholson, 2011-03-23 Complementary Medicine Beauty and Modelling offers readers the knowledge to naturally improve their appearance slow the ageing process and experience increased physical and emotional security By understanding and applying some basic principles of complementary medicine readers should be able to strengthen their physical bodies improving upon the individual qualities that they appreciate most whilst also improving upon those that they feel they might be lacking Beauty is often considered a commodity reserved for the young and slim and modelling the domain of the impossibly attractive As a result the majority of both men and women may never envisage themselves possessing the physical criteria for a career spent posing in front of cameras or strutting the worlds catwalks However it is important to remember that each person possesses individual characteristics and personal attributes that make them unique Addressing these attributes will improve their appearance and often result in improved temperament and appreciation of individual strengths The beauty that a woman expresses in her daily life is a declaration of herself and the person she wishes to present to the world whether it is while caring for children and family managing a business studying or spending time with friends and family This is no less so for men who often see physical appearance and strength as a means to establish their relationship with their body and declare their presence This book offers an insight into concepts of physical beauty and photographic modelling and encourages the reader to view the body from a different perspective Physical features aside the book delves into the body mind relationship and draws upon the wisdom of philosophies such as naturopathy nutrition traditional Chinese medicine Bach flower remedies acupuncture mineral therapy iridology yoga meditation and natural remedies without ignoring skin care cosmetics perfume and paramedical tattooing With even a basic knowledge of the principles of complementary medicine readers can begin to understand and improve upon perceived flaws in their physical features and gain the confidence to recognise the personal attributes that make them each individuals We encourage readers to appreciate the unique beauty that is within each of us and recognise that a nutritious diet healthy lifestyle and positive view of themselves are the keys to maintain emotional stability and emphasise their appearance National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1992 *Cómo y cuándo ser su propio Médico (Traducido)* Isabelle A.
