Worth Doing W. David

Buschart, Ryan Tafilowski, 2025-11-25 *Reimagine Your Theology of Faith and Work* Conversations about faith and work often miss an important truth: limitations are not a problem; they're a key part of what it means to be human. Work has always been part of humanity's purpose, but we're no longer in the perfect Garden of Eden, nor are we in the future new heavens and new earth. To truly address the challenges of work, we need a new theological perspective. In *Worth Doing*, David Buschart and Ryan Tafilowski embrace the realities of limitations, challenging the myths of "You are what you do" and "Do what you love." Instead, they propose a theology of work that affirms the goodness of human limits while addressing the realities of fallenness, offering hope for those who may not find deep fulfillment in their daily jobs. Buschart and Tafilowski outline a new vision of work that resonates with all workers, recognizing that every job has value, even when it doesn't align with idealized notions of purpose or calling. By embracing this perspective, people can find new ways to approach daily labor, even when it doesn't feel deeply fulfilling. In *Worth Doing*, readers will gain a theology of work that moves beyond only ideas of productivity or calling. Learn how to embrace human limitations as part of God's good design. Reflect on the ways work connects to broader questions of purpose and human flourishing. *Worth Doing* invites readers to consider their limitations as valuable aspects of their vocational journey, offering a thoughtful framework for addressing the complexities of work. This book is particularly relevant for theologians examining the intersections of work, faith, and rest; Christian educators and leaders in the faith and work space. By moving beyond conventional theological approaches to faith and work, *Worth Doing* presents a hopeful and theologically rich perspective on vocation that acknowledges and embraces human limitations. **One Thousand Wells** Jena Lee Nardella, 2015-08-25 Describes how, as a recent graduate, she partnered with Grammy Award-winning band Jars of Clay to create a nonprofit to provide health care and clean water to HIV-affected regions in Africa. **Celebrating the Legacy of the Reformation** Benjamin K. Forrest, 2019-07-01 In this compilation of essays, experts in the field provide an in-depth look at the long-lasting impact of the Protestant Reformation. Readers will gain new insights into the legacies of theology, spiritual formation, and personal worship; catechism and preaching; and the missions and martyrs of the Reformation. *Celebrating the Legacy of the Reformation* will inspire and challenge readers to learn from the past for the sake of the future. **Hints of Hope** Steven Garber, 2026-01-20 We all want to make sense of life: the good, the painful, the miraculous. Who are we? Why are we here? What should we do with our lives? How do we hold on to hope in a world that is both beautiful and broken? Through eight lyrical and reflective essays, one of today's most thoughtful spiritual writers, Steven Garber, explores the idea of the proximate—a word from the Latin *proximatus* to draw near. Garber invites us to draw near to the deepest realities of life and to see with greater clarity and compassion, recognizing what is true, right, and beautiful in the world, even as we see the suffering all around us. *Hints of Hope* probes what it means to be human, to wrestle with the contradictions we all face in our marriages, in our workplaces, in our friendships, and vocations. We all experience beauty and brokenness, wonder and despair, joy and sorrow. We live with disappointment and grief and pain, wanting more, expecting more, but never being completely fulfilled.

Paradoxically as we make peace with the proximate our vision is expanded to see more clearly the glimmers of beauty and grace that thread their way through our lives Garber suggests that those hints of hope are enough in this frail world of ours a world stretched taut between what is and what someday will be Written in memoir form Hints of Hope weaves together decades of Garber s travels teaching and personal musings to offer a tapestry of wisdom on vocation culture faith and hope Readers of Wendell Berry Parker Palmer Marilyn McEntyre Philip Yancey and Frederick Buechner will find a rich soul nourishing feast within these pages
