Winning the Spiritual War gives us Biblical strategies that we must implement into the body of Christ so that we may walk in true victory and fulfill the mandate given by Christ to reach our world. It is a must read for those who are serious about doing the will of God. Pastor Holland has addressed one of the crucial areas of the believer's life. Every new convert needs this clear understanding of how to be victorious. The battle Christians are engaged in is an ancient war between the forces of good and evil. Now that the twenty first century has arrived the intensity of the battle has greatly increased. Jesus made powerful promises of abundant life. We are called to victory. We must understand the Biblical principles as taught from scripture that instruct us as to how we can win this spiritual war. As prophecy draws us to the very threshold of the second coming we have no choice but to engage in battle as never before and win this conflict for our soul and the souls of this generation. This book explores spiritual principles that we can implement in our daily living to be victorious. It provides a foundation of true insight for the follower of Christ. Dr James Holland Sr is a pastor teacher and conference speaker. He is also involved in leadership training. He has a doctorate degree in Biblical studies. He and his wife Shirline have been involved in ministry all of their adult lives. They live in Glennville Ga where they have served as Pastor of a local congregation for over twenty five years **More**
