With her boundless curiosity and wild spirit Fer has always felt that she doesn't belong. Not when the forest is calling to her when the rush of wind through branches feels more real than school or the quiet farms near her house. Then she saves an injured creature he looks like a boy but he's really something else. He knows who Fer truly is and invites her through the Way a passage to a strange dangerous land. Fer feels an instant attachment to this realm where magic is real and oaths forge bonds stronger than iron. But a powerful huntress named the M'r rules here and Fer can sense that the land is perilously out of balance.
