fears and unnecessary limitations and are holding you back from getting extraordinary results in your life but you don't know how to break free. If you answered yes to any of these questions, Neuro Linguistic Programming may be just what you need to create drastic positive change in your life. Your brain is like a computer. Your behaviors are computer programs. And NLP is the user manual. We are hardwired to react to certain situations, people, or things. These predetermined habits dictate everything in our lives, whether we win or lose, what we can and can't accomplish, how much success we allow ourselves to have. The good news is you have the power to re-write your patterns and turn your negative habits into positive ones. Whether you want to get over your fear of public speaking or learn how to increase your chance of success in a sports match, NLP is an extremely powerful tool that anyone can learn to use. Enough with trying out new routines that never seem to stick. Get down to the deepest level of your programming and create lasting change from the inside out with these simple but extremely powerful tools. Take control of your life today. In this book, you will learn 10 specific ways to take control of your habits and turn them into positive behaviors. Core principles of Neuro Linguistic Programming and how knowing them can improve your life. How to supercharge your habits to create success automatically. How to improve your communication skills. Why behavior flexibility is the key to limitless success and how to start using it to get extraordinary results. This book is highly actionable with step-by-step exercises for each technique and a Free Workbook included to guide you on your journey of self-mastery. After reading this book, you will be able to: Make positive habits stick by re-writing your programming on the deepest level. Access the resource state and design your own personal anchors. Use outcome thinking to overcome challenges easily. Interrupt negative programs to eliminate anxieties and phobias. Stop being limited by your tired reactionary behaviors, negative habits, and old fears. Get in touch with your psychology and create more success than you ever thought possible. So what are you waiting for? Pick up a copy of **NLP The 10 Most Powerful Tools to Re-Program Your Behavior and Maximize Your Potential** today and learn these extraordinarily powerful NLP secrets. **The NLP Coach** Ian McDermott, Wendy Jago, 2011-12-15.
