The People's Press ,1909 Air Line News ... ,1906 *Money From Nothing* Robert Hockett,Aaron James,2020-09-15 A major work of financial theory and practice with immediate relevance to the rebuilding of the economy and restoring the promise of equality When the government decides to spend money it simply creates the necessary funds for itself as if out of thin air That s how we pay for interstate highways post offices wars social services and economic stimulus packages If it s that easy to make money can t we all get more of it Absolutely And we should So argue financial regulation expert Robert Hockett and bestselling philosopher Aaron James in this eye opening irreverent and inspiring exploration of what the dollar really is And better still they show how we can build an economy that works for everybody without unwanted taxes and added regulations In the process we learn how disingenuous the political rhetoric surrounding inflation can be how the demonized concept of the deficit is really just another way of tallying our collective national wealth and how a strong central bank could free us from the abuses of private banking With broad historical background and ambitious yet practical institutional proposals Hockett and James offer a new vision of public finance people s banking for a people s economy Armed with this new outlook we can even stop worrying debt and learn to love a strong accountable and transparent Federal Reserve as a cornerstone of our democracy Atlantic Coast Line News ,1926 **The System of the International**

Pacific Rural Press ,1922 **Our Dumb Animals** ,1915 **Joseph and Harriet Hawley's Civil War** Paul E. Teed,2018-11-15 This book explores the remarkable partnership of Joseph and Harriet Hawley a married couple from Connecticut whose lives were transformed by overlapping experiences in the American Civil War era When Joseph became the colonel of the 7th Connecticut Infantry Regiment in 1862 Harriet ignored family advice and social convention and travelled to Union military headquarters at Hilton Head Island South Carolina where Joseph s regiment was stationed From that bold beginning she spent the next three years as a visitor at field hospitals a teacher at freedman s schools a wartime journalist a ward nurse and her husband s informal advisor and publicist Moving in and around the scenes of military action she lived and worked in spaces usually reserved for men and took on responsibilities that implicitly challenged conventional understandings of women s physical and emotional dependency While Joseph struggled for recognition and promotion in the brutally competitive environment of Union military politics Harriet shrewdly used her own personal contacts with power

brokers in Hartford and Washington to protect his interests and those of his men And as the terrible realities of the Civil War pushed them both to the brink of physical and emotional collapse Harriet and Joseph remained committed to the cause and found ways to sustain their devotion to both Union and emancipation in the very worst moments of the conflict
