be found not in strange religious theories about God and Satan but in the deepest levels of the human mind the collective unconscious and the earliest developments of human society Witchcraft Today, By Gerald B. Ligan,2014-11-19 This book explores the religious foundations political and social significance and aesthetic aspects of the theatre created by the leaders of the Occult Revival Ligan shows how theatre contributed to the fragmentation of Western religious culture and how contemporary theatre plays a part in the development of alternative occult religions *The Gardnerian Book of Shadows* Gerald Gardner,2015-08-05 This is the text of the Gardnerian Book of Shadows In one sense this is the central sacred text of the Wicca religion However it is important to point out that there is no official Book of Shadows Typically each coven has a hand written copy of a Book of Shadows sometimes in cypher or code which reflects its own practices and knowledge This particular text is derived from a file posted on the Internet in the early 90s and quotes previously published material which was known to be in use by Gardner and his group The Book of Shadows was attributed by Gardner to an ancient clandestine witch cult which he claimed to have been initiated into However modern researchers have concluded that it was composed by Gardner The text shows influences from English and Celtic Folk lore the Enochian system of John Dee Thelema the Golden Dawn Stregaria Tantric Yoga the KJV Bible and even Kipling This version organizes the material in chronological order and has estimated dates for each section ranging from 1949 to 1961 The copyright status of this text can best be described as orphaned This version was compiled by Aidan A Kelly It was originally posted on the Internet in the mid 90s as part of the Internet Book of Shadows material Text in square
