Without Honor Crimes Of Camelot And The Impeachment Of Richard Nixon:

Without Honor Jerry Zeifman, 1995 **Without Honor** Jerome M. Zeifman, Jerry Zeifman, 1995 Peopled with key players such as Spiro Agnew Hillary Rodham Clinton and the Reverend Sun Myung Moon this insider expose of Nixon era intrigue written by a man who played a key role during the House Judiciary Committee s impeachment proceedings details the behind closed door deals embarrassments and illegalities of the Nixon administration *The Age of Impeachment* David E. Kyvig, 2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use *The Nixon Conspiracy* Geoff Shepard, 2021-11-23 As seen on Tucker Carlson Geoff Shepard s shocking expos of corrupt collusion between prosecutors judges and congressional staff to void Nixon s 1972 landslide reelection Their success changed the course of American history Geoff Shepard had a ringside seat to the unfolding Watergate debacle As the youngest lawyer on Richard Nixon s staff he personally transcribed the Oval Office tape in which Nixon appeared to authorize getting the CIA to interfere with the ongoing FBI investigation and even coined the phrase the smoking gun Like many others the idealistic Shepard was deeply disappointed in the president But as time went on the meticulous lawyer was nagged by the persistent sense that something wasn t right with the case against Nixon The Nixon Conspiracy is a detailed and definitive account of the Watergate prosecutors internal documents uncovered after years of painstaking research in previously sealed archives Shepard reveals the untold story of how a flawed but honorable president was needlessly brought down by a corrupt deep state big media alliance a circumstance that looks all too familiar today In this hard hitting expos Shepard reveals the real smoking gun the prosecutors secret but erroneous Road Map which caused grand jurors to name Nixon a co conspirator in the Watergate cover up and the House Judiciary Committee to adopt its primary Article of Impeachment Shepard s startling conclusion is that Nixon didn t actually have to resign The proof of his good faith is right there on the tapes Instead he should have taken his case to a Senate impeachment trial where if everything we know now had come out he would easily have won

The Mafia's President Don Fulsom, 2017-11-14 The first ever full account of Nixon s extensive ties to the American Mafia from a veteran White House reporter Unbeknownst to most people even now the election of 1968 placed the patron saint of the Mafia in the White House In other words Richard Nixon would go on to not only lead a criminal presidency he would be totally indebted to our nation s top mobsters By 1969 thanks in large part to his long time campaign manager and political advisor Murray Chotiner a lawyer who specialized in representing mobsters Nixon had participated in secret criminal dealings for more than 20 years with sketchy figures such as Mickey Cohen Mob financial guru Meyer Lansky Teamsters union chief Jimmy Hoffa and New Orleans Mafia boss Carlos Marcello And with Chotiner as one of his key behind the scenes advisors in the White House Nixon s ties to the Mafia didn t end there The Mafia s President reveals a mind blowing litany of favors Nixon exchanged with these sinister characters over decades ranging from springing Jimmy Hoffa from prison to

banning the federal government from using the terms Mafia and La Cosa Nostra Drawing on newly released government tapes documents and other fresh information **The Mafia s President** by Don Fulsom offers a carefully reported deeply researched account of Richard Nixon s secret connections to America s top crime lords

The Secret Plot to Make Ted Kennedy President Geoff Shepard,2008-06-17 The controversial book that will change how people think about Watergate Drawing on his insider knowledge and previously unpublished documents Geoff Shepard shows that it didn t take long for Ted Kennedy and his allies to smell blood after the Watergate break in They set out to exaggerate and prolong the scandal not merely to destroy Richard Nixon but to undermine the entire Republican Party and pave the way for another Kennedy presidency in 1976 In the process working closely with a willing media they pioneered the politics of personal destruction which has tarnished our country ever since Shepard reveals how this Kennedy conspiracy included members and staffs of the Senate the House the Justice Department and the Special Prosecutor s office They used delay tactics and obfuscation to postpone the indictments and avoid trials of the handful of real Watergate criminals Shepard argues that the abuses of power by Kennedy s cronies dwarf those of the administration they savaged Among those he singles out for reevaluation are Republican turncoat John Dean Mark Deep Throat Felt reporter Bob Woodward and a young lawyer for the House Judiciary Committee named Hillary Rodham

The Seduction of Hillary Rodham David Brock,1998-02-02 Profiles the political life of Hilary Rodham Clinton and discusses her role in her husband s government career in Arkansas her involvement in his presidency her family life and other related topics

The Federal Impeachment Process Michael J. Gerhardt,2019-04-12 As President Trump and Congressional Democrats battle over the findings of the Mueller report talk of impeachment is in the air But what are the grounds for impeaching a sitting president Who is subject to impeachment Is impeachment effective as a safeguard against presidential misconduct What challenges does today s highly partisan political climate pose to the impeachment process and what if any meaningful alternatives are there for handling presidential misconduct For more than twenty years The Federal Impeachment Process has served as the most complete analysis of the constitutional and legal issues raised in every impeachment proceeding in American history Impeachment Michael J Gerhardt shows is an inherently political process designed to expose and remedy political crimes serious breaches of duty or injuries to the Republic Subject neither to judicial review nor to presidential veto it is a unique congressional power that involves both political and constitutional considerations including the gravity of the offense charged the harm to the constitutional order and the link between an official s misconduct and duties For this third edition Gerhardt updates the book to cover cases since President Clinton as well as recent scholarly debates He discusses the issues arising from the possible impeachment of Donald Trump including whether a sitting president may be investigated prosecuted and convicted for criminal misconduct or whether impeachment and conviction in Congress is the only way to sanction a sitting president what the Emoluments Clause means and whether it might provide the basis for the removal of the president whether gross incompetence may serve as the basis

for impeachment and the extent to which federal conflicts of interest laws apply to the president and other high ranking officials Significantly updated this book will remain the standard work on the federal impeachment process for years to come
