## **Witsec Inside The Federal Witness Protection Program:**

**Witsec** Pete Earley, 2003-04-01 For decades no law enforcement program has been as cloaked in controversy and mystery as the Federal Witness Protection Program Now for the first time Gerald Shur the man credited with the creation of WITSEC teams with acclaimed investigative journalist Pete Earley to tell the inside story of turncoats crime fighters killers and ordinary human beings caught up in a life and death game of deception in the name of justice WITSEC Inside the Federal Witness Protection Program When the government was losing the war on organized crime in the early 1960s Gerald Shur a young attorney in the Justice Department s Organized Crime and Racketeering Section urged the department to entice mobsters into breaking their code of silence with promises of protection and relocation But as high ranking mob figures came into the program Shur discovered that keeping his witnesses alive in the face of death threats involved more than eradicating old identities and creating new ones It also meant cutting off families from their pasts and giving new identities to wives and children as well as to mob girlfriends and mistresses It meant getting late night phone calls from protected witnesses unable to cope with their new lives It meant arranging funerals providing financial support and in one instance even helping a mobster s wife get breast implants And all too often it meant odds that a protected witness would return to what he knew best crime In this book Shur gives you are there account of infamous witnesses from Joseph Valachi to Sammy the Bull Gravano to Fat Vinnie Teresa of the lengths the program goes to to keep its charges safe and of cases that went very wrong and occasionally even protected those who went on to kill again He describes the agony endured by innocent people who found themselves in the wrong place at the wrong time and ended up in a program tailored to criminals And along with Shur s war stories WITSEC draws on the haunting words of one mob wife who vividly describes her life of lies secrecy and loss inside the program A powerful true story of the inner workings of one of the most effective and controversial weapons in the war against organized crime and the inner workings of organized crime itself and more recently against Colombian drug dealers outlaw motorcycle gang members white collar con men and international terrorists this book takes us into a tense dangerous twilight world carefully hidden in plain sight where the family living next door might not be who they say they are

**Witsec** Pete Earley, Gerald Shur, 2003-08 No law enforcement program has been as cloaked in controversy mystery as the Fed Witness Protection Prog WITSEC Shur who created WITSEC tells the story of turncoats crime fighters killers ordinary people caught up in a life death game of deception in the name of justice In the early 1960s Shur urged the Justice Dep t to entice mobsters into breaking their code of silence with promises of protection relocation But as big mob figures came into the program Shur discovered that keeping his witnesses alive in the face of death threats involved more than eradicating old identities creating new ones An account of infamous witnesses of the lengths the program goes to keep its charges safe of cases that went wrong Photos [Organized Crime in Our Times](#) Jay S. Albanese, 2014-09-25 Organized Crime in Our Times provides readers with a clear understanding of organized crime including its definition and causes how it is categorized

under the law models to explain its persistence and the criminal justice response to organized crime including investigation prosecution defense and sentencing This book offers a comprehensive survey including an extensive history of the Mafia in the United States a legal analysis of the offenses that underlie organized crimes specific attention to modern manifestations of organized crime activity such as human smuggling Internet crimes and other transnational criminal operations and the application of ethics to the study of organized crime

**Informants and Undercover Investigations** Dennis G. Fitzgerald, 2007-01-24 Informants are an invaluable often instrumental aspect of criminal investigations but they do present certain management issues In the necessarily clandestine world they inhabit the imposition of institutional control presents unique challenges Lack of training and communication among law enforcement professionals tend to ensure the same error

**Organized Crime** Jay Albanese, 2014-11-20 Organized Crime From the Mob to Transnational Organized Crime Seventh Edition provides readers with a clear understanding of organized crime including its definition and causes how it is categorized under the law models to explain its persistence and the criminal justice response to organized crime including investigation prosecution defense and sentencing This book offers a comprehensive survey including an extensive history of the Mafia in the United States a legal analysis of the offenses that underlie organized crimes specific attention to modern manifestations of organized crime activity such as human smuggling Internet crimes and other transnational criminal operations and the application of ethics to the study of organized crime A new section has been added on threat assessment in organized crime Chapters are enhanced by updated photos tables charts and critical thinking exercises that help students apply concepts to actual organized crime cases Every chapter includes two student friendly special features Organized Crime Biography and Organized Crime at the Movies A glossary gives students a quick reference for looking up important definitions of organized crime related terms and a Timeline of Organized Crime in the United States highlights important events in the history of organized crime

**Federal Witness Security Program and Protection of Foreign Nationals** United States. Congress. House. Committee on Government Operations. Government Information, Justice, and Agriculture Subcommittee, 1990 *Informants, Cooperating Witnesses, and Undercover Investigations* Dennis G. Fitzgerald, 2014-11-05 The use of informants has been described as the black hole of law enforcement Failures in the training of police officers and federal agents in the recruitment and operation of informants has undermined costly long term investigations destroyed the careers of prosecutors and law enforcement officers and caused death and serious injuries to innocent citizens and police In many cases the events leading to disaster could have been avoided had the law enforcement agency followed the time tested procedures examined in this book Informants Cooperating Witnesses and Undercover Investigations A Practical Guide to Law Policy and Procedure Second Edition covers every aspect of the informant and cooperating witness dynamic a technique often shrouded in secrecy and widely misunderstood Quoted routinely in countless newspaper and magazine articles the first edition of this book was the go to guide for practical effective guidance on this controversial yet powerful investigative tool

Extensively updated topics in this second edition include Sweeping changes in the FBI and ICE informant and undercover programs New informant recruiting techniques Reverse sting operations Entrapment issues Examination of recent high profile cases where the misuse of informants resulted in lawsuits and legislation The changing nature of compensation and cooperation agreements Forfeiture informants and rewards The management of controlled undercover purchases of evidence Challenges posed by fabricated information phantom informants and police corruption Witness security measures New whistleblower reward programs Authoritative scholarly and based on boots on the ground experience this book is written by an author who has been a police supervisor an informant recruiter and handler an undercover agent and an attorney Supported by statutes case law and previously unpublished excerpts from law enforcement agency manuals it is essential reading for every police officer police manager prosecutor police academy trainer criminal justice professor and defense attorney This book is part of the Practical Aspects of Criminal and Forensic Investigations series **Witness Protection**

**Systems** Mark Chambers, AI, 2025-04-05 Witness Protection Systems examines the intricate world of safeguarding individuals who risk their lives to testify against dangerous criminals The book explores the legal frameworks operational procedures and ethical considerations surrounding witness protection programs highlighting their necessity in combating organized crime It traces the evolution of these systems from informal practices to formalized government initiatives emphasizing their role in securing convictions The book offers a historical overview legal analysis and ethical evaluation of witness protection It examines the practical aspects of witness relocation detailing risk assessment identity creation and psychological support Through case studies of high profile criminal trials the book evaluates both the successes and failures of witness protection addressing ongoing policy debates about balancing witness safety with government accountability The book progresses by first introducing the legal and ethical foundations then detailing the practical aspects of witness relocation analyzing case studies and concluding with potential reforms It draws from government reports legal documents and interviews to provide a comprehensive understanding of witness protection systems and their impact on human rights and criminal justice

**Secret Undertaking** Mark de Castrique, 2018-09-04 The dark humor a small community in a regional mystery and a strong supporting cast of believable characters will appeal to Margaret Maron s readers Library Journal STARRED review Towns like Gainesboro North Carolina may be small but go big on local traditions When funeral director and part time deputy sheriff Barry Clayton and his childhood nemesis Archie Donovan Jr unite to create a fundraising float in Gainesboro s annual Apple Festival Parade what could go wrong With Archie involved anything First the Grand Marshal NC Secretary of Agriculture Graham James is attacked by a gunman and Barry s Uncle Wayne is critically wounded in the melee The assailant is killed Then when the body of a convenience store owner is discovered less than an hour later with the gunman s food stamp card in his wallet the case escalates Two men dead What is the connection Barry and Sheriff Tommy Lee Wadkins swiftly learn their small town offers no protection against big time crime The body count rises as the scope of their homicide

investigation crosses into the realm of the U S Marshals and their secretive Witness Protection Program To penetrate its walls Barry and Tommy Lee resort to a most unlikely ally Archie Is the insurance agent generally a victim of his own hare brained schemes capable of breaking the case or will Archie find a way to become another of its casualties The trio s secret undertaking into a convoluted conspiracy becomes a fight for survival in a world filled with betrayals where it s impossible to know which people to trust

**The Disruption of International Organised Crime** Angela Veng Mei Leong,2016-03-16

Analyzing the structures of transnational organized crime this book considers whether traditional mechanisms and national jurisdictions can tackle this increasing menace Highlighting the strengths and weaknesses in the present methods of control the book discusses the possibilities of developing more effective national and international strategies the creation of non legal mechanisms outside the traditional criminal justice system and the implications of disruption strategies The roles of law enforcement officers tax investigators financial intelligence officers compliance officers lawyers and accountants in enforcing both civil and criminal sanctions on organized crime are also considered
