Picturing the Wolf in Children's Literature Debra Mitts-Smith, 2012-12-06 From the villainous beast of Little Red Riding Hood and The Three Little Pigs to the nurturing wolves of Romulus and Remus and Rudyard Kipling's The Jungle Book the wolf has long been a part of the landscape of children's literature. Meanwhile since the 1960s and the popularization of scientific research on these animals children's books have begun to feature more nuanced views. In Picturing the Wolf in Children's Literature Mitts Smith analyzes visual images of the wolf in children's books published in Western Europe and North America from 1500 to the present. In particular she considers how wolves are depicted in and across particular works, the values and attitudes that inform these depictions and how the concept of the wolf has changed over time. What she discovers is that illustrations and photos in works for children impart social, cultural, and scientific information not only about wolves but also about humans and human behavior. First encountered in childhood picture books, act as a training ground where the young learn both how to decode the symbolic wolf across various contexts and how to make sense of real wolves. Mitts Smith studies sources including myths, legends, fables, folk and fairy tales, fractured tales, fictional stories, and nonfiction, highlighting those instances in which images play a major role, including illustrated anthologies, chapbooks, picture books, and informational books. This book will be of interest to children's literature scholars as well as those interested in the figure of the wolf and how it has been informed over time.

The ^AOxford Handbook of Dance and Theater Nadine George-Graves, 2015-07-13 The Oxford Handbook of Dance and Theater brings together genres, aesthetics, cultural practices, and historical movements that provide insight into humanist concerns at the crossroads of dance and theater, broadening the horizons of scholarship in the performing arts and moving the fields closer together. In doing so, it demonstrates that physical performance and the intersections of theater and dance are more than musical theater, story ballet, or contemporary dance theater.

Monica Hesse Collection Monica Hesse, 2020-08-04 Read all three masterworks of historical fiction from award-winning and New York Times bestselling author Monica Hesse. In *Girl in the Blue Coat*, Hanneke navigates Amsterdam at the height of World War II, spending her days procuring and delivering sought-after black market goods to paying customers, her nights hiding the true nature of her work from her concerned parents and every waking moment mourning her boyfriend who was killed on the Dutch front lines when the Germans invaded. On a routine delivery, a client asks Hanneke for help. Expecting to hear that Mrs. Janssen wants meat or kerosene, Hanneke is shocked by the older woman's frantic plea to find a person a Jewish teenager Mrs. Janssen had been hiding who has vanished without a trace. Beautifully written, intricately plotted, and meticulously researched, *Girl in the Blue Coat* is an extraordinary novel about bravery, grief, and love in impossible times. In *The War Outside*, World War II is raging across Europe and the Pacific. The war seems far away from Margot in Iowa and Haruko in Colorado until they are uprooted to Crystal City, Texas, a family internment camp, all because of the places their parents once called home: Germany and Japan. With everything around them falling apart, Margot and Haruko find solace in

their growing secret friendship But in a prison the government has deemed full of spies can they trust anyone even each other In They Went Left eighteen year old Zofia Lederman has barely begun to heal from the horrors of the Holocaust Three years ago she and her younger brother Abek were the only members of their family to be sent to the right away from the gas chambers of Auschwitz Birkenau Everyone else her parents her grandmother radiant Aunt Maja they went left Zofia s last words to her brother were a promise Abek to Zofia A to Z When I find you again we will fill our alphabet Now her journey to fulfill that vow takes her through Poland and Germany and into a displaced persons camp where everyone she meets is trying to piece together a future from a painful past But the deeper Zofia digs the more impossible her search seems How can she find one boy in a sea of the missing In the rubble of a broken continent Zofia must delve into a mystery whose answers could break her or help her rebuild her world

Angela Carter and the Fairy Tale Danielle Marie Roemer,Cristina Bacchilega,2001 A diverse collection of essays artwork interviews and fiction on Angela Carter [A Study Guide for Christa Wolf's "Exchanging Glances"](#) Gale, Cengage Learning,2016-07-14 A Study Guide for Christa Wolf s Exchanging Glances excerpted from Gale s acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs

Blues All Day Long Wayne Everett Goins,2014-08-30 A member of Muddy Waters legendary late 1940s 1950s band Jimmy Rogers pioneered a blues guitar style that made him one of the most revered sidemen of all time Rogers also had a significant if star crossed career as a singer and solo artist for Chess Records releasing the classic singles That s All Right and Walking By Myself In Blues All Day Long Wayne Everett Goins mines seventy five hours of interviews with Rogers family collaborators and peers to follow a life spent in the blues Goins account takes Rogers from recording Chess classics and barnstorming across the South to a late in life renaissance that included new music entry into the Blues Hall of Fame and high profile tours with Eric Clapton and the Rolling Stones Informed and definitive Blues All Day Long fills a gap in twentieth century music history with the story of one of the blues eminent figures and one of the genre s seminal bands

Ernest Hemingway. technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Texas Art and a Wildcatter's Dream William E. Reaves, 1998. At a crucial moment in the development of Texas art, an eccentric oil wildcatter from Massachusetts and Luling, Texas, turned to the prestigious San Antonio Art League with a proposal. He would fund a national art competition featuring the state's verdant fields of wildflowers and bring prominence to Texas art if the league would handle the details. Thus was born the Texas Wildflower Competitive Exhibitions, which in three years at the end of the Roaring Twenties awarded more than \$53,000 in prize money for paintings of Texas wildflowers, ranch life, and cotton farming. This presentation of twenty-nine color plates of the competitions' best works includes paintings by such important artists as Jose Arpa Dawson, Dawson Watson, Xavier Gonzalez, Edward G. Eisenlohr, and Oscar E. Berninghaus, and Herbert Dunton, the latter duo having also served as founding members of the Taos Society of Artists. In the plates, the artists have portrayed a variety of landscapes and atmospheres to present the wildflowers loved not only by Davis but by generations of Texas art enthusiasts.

The Brokeback Book William R. Handley, 2011-05-01. An American Western made by a Taiwanese director and filmed in Canada, *Brokeback Mountain* was a global cultural phenomenon even before it became the highest-grossing gay-themed drama in film history. Few films have inspired as much passion and debate or produced as many contradictory responses from online homage to late-night parody. In this wide-ranging and incisive collection, writers, journalists, scholars, and ordinary viewers explore the film and Annie Proulx's original story as well as their ongoing cultural and political significance. The contributors situate *Brokeback Mountain* in relation to gay civil rights, the cinematic and literary Western, the Chinese value of forbearance, male melodrama, and urban and rural working lives across generations and genders. *The Brokeback Book* builds on earlier debates by novelist David Leavitt, critic Daniel Mendelsohn, producer James Schamus, and film reviewer Kenneth Turan with new and noteworthy interpretations of the *Brokeback* phenomenon, the film, and its legacy. Also appearing in print for the first time is Michael Silverblatt's interview with Annie Proulx about the story she wrote and the film it became.

A Catalogue of the Law Collection at New York University Julius J. Marke, 1999. Marke, Julius J., Editor. *A Catalogue of the Law Collection at New York University With Selected Annotations*. New York: The Law Center of New York University, 1953. xxxi, 1372 pp. Reprinted 1999 by The Lawbook Exchange Ltd. LCCN 99-19939. ISBN 1-886363-91-9. Cloth. 195. Reprint of the massive, well-annotated catalogue compiled by the librarian of the School of Law at New York University.
