

"Today's woman wants freedom and power."

Mark Chanski clearly and colorfully describes how we women can be liberated from our
womanly domination, as outlined in Scripture by the very God who designed us. We have
dominated in performing our role as a wife, in nurturing our children, in managing our
home, and in reaching out to others."

Mary Burke, Author of *The Law of Kindness*

Womanly Dominion More Than A Gentle Quiet Spirit:

Womanly Dominion Mark Chanski, 2008-08 Christian woman take dominion Play your position is a call we may hear a coach yell at a soccer or football game The meaning is do what you have been assigned to do and do it well Many Christian women have been told over the years that they must quietly stay under their parasols while their men go out and conquer the world Is this what the Bible really teaches Author and pastor Mark Chanski insists that the Bible tells us a different story He insists that the Bible teaches a woman to take dominion of her God assigned role as wife mother and church helper This is not in a feminist way but in a God glorifying way that speaks volumes of who she is and why God created her Women should not think of themselves as victims says the author but as victors who conquer the realm that their Lord and Master Jesus Christ has given them
