Women Earth And Creator Spirit Madeleva Lecture In Spirituality:

Women, Earth, and Creator Spirit Elizabeth A. Johnson, 1993 At the National Air and Space Museum in Washington D C and at selected museum theaters around this country a movie entitled Blue Planet is currently being shown Spliced together from film footage taken by astronauts in orbit around planet Earth this movie entrances viewers with the loveliness of our planet a small blue and white marble revolving through the black void of space **Women, Earth, and Creator Spirit, Revised Edition** Johnson, Elizabeth A., 2022-11 While this derives from a Madeleva lecture of the same title that was delivered in 1993 the points made and updated by Elizabeth Johnson in this revised edition of Women Earth and Creator Spirit are even more pressing today Since the 1990s the environment has only been degraded more and one could argue that the status of women has been eroded by the rise of religious fundamentalism in almost every culture Johnson draws out the links between attitudes toward women and the way we treat the natural world around us If nature is somehow perceived as feminine then it is no surprise that it is heedlessly abused and used especially when both women and the earth exist under the sovereignty of a patriarchal God *Wisdom Commentary: John 11-21* Mary L. Coloe, 2021-11-15 Teaching and researching the Gospel of John for thirty years has led author Mary L Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology language and symbolism in the prologue with Nicodemus in the Bread of Life discourse with Mary and Lazarus and in the culminating Hour She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom considered deuterocanonical and omitted from some Bible editions are essential intertexts Only the book of Wisdom speaks of the reign of God Wis 10 10 eternity life Wis 5 15 and the ambrosia maintaining angelic life Wis 19 21 all concepts found in John s Gospel While the Gospel explicitly states the Logos was enfleshed in Jesus this is also true of Sophia Coloe makes the case that Jesus s words and deeds embody Sophia throughout the narrative At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel passage drawing Sophia out of the shadows Catholic Moral Theology in the United States Charles E. Curran, 2008-04-11 In this magisterial volume Charles E Curran surveys the historical development of Catholic moral theology in the United States from its 19th century roots to the present day He begins by tracing the development of pre Vatican II moral theology that with the exception of social ethics had the limited purpose of training future confessors to know what actions are sinful and the degree of sinfulness Curran then explores and illuminates the post Vatican II era with chapters on the effect of the Council on the scope and substance of moral theology the impact of Humanae vitae Pope Paul VI s encyclical condemning artificial contraception fundamental moral theology sexuality and marriage bioethics and social ethics Curran s perspective is unique For nearly 50 years he has been a major influence on the development of the field and has witnessed first hand the dramatic increase in the number and diversity of moral theologians in the academy and the Church No one is more qualified to write this first and only comprehensive history of Catholic moral theology in the United States **The Nature of Things**

Graham Buxton, Norman C. Habel, 2016-11-16 In 2015 a conference on Rediscovering the Spiritual in God's Creation was held at the Serafino winery complex in the McLaren Vale region of South Australia. The aim of the conference was not to seek consensus but to survey the landscape with a view to intentional responsible action in caring for God's creation. Delegates were challenged to recognize their own worldviews and to widen their horizons to encompass the enormity of the transcendence and immanence of God's presence in all creation. A group of leading international scholars and experts in the fields of science, ecology, theology and ethics participated in a multidisciplinary conversation on the spiritual in creation with the aim of discovering fresh horizons with regard to creation care, liturgy, justice and discipleship within the Christian community. The chapters in this volume reflect the diversity of perspectives summarized in The Serafino Declaration which was crafted towards the end of the conference. This declaration which opens the volume outlines a range of views relating to the presence of the spiritual in creation, views that are both traditional and radical. This volume highlights the current concern over ecological destruction and finds sources of inspiration in the deepest roots of our traditions and forms of spirituality to sustain efforts towards custodianship of the land and care for God's creation. Contributors: David Rhoads, Paul Santmire, Denis Edwards, Bob White, Heather Eaton, Ernst Conradie, Vicky Balabanski, Celia Deane Drummond, Mark Worthing, Emily Colgan, Dianne Rayson, Anne Gardner, Mark Liederbach, Patricia Fox, Anne Elvey, Mick Pope. Fruit-Bearing Spirituality Carolyn Reinhart, MA D. Prof., 2013-12-13 A Fruit Bearing Spirituality is the fruit of years of formal study in the field of spirituality combined with 70 years of life experience. The book is not about religion, theology or church but helps the reader to learn more about the meaning of the word spirituality for today. It includes a consideration of our humanity and spirituality, our spiritual journey, transformation and growth, relationships integrating the personal and social, how to change the context, organization and the relationship of Spirituality with Quantum Physics. **Addiction and Spirituality** Oliver Morgan, 2012-11-09 Religious and secular counselors from a variety of disciplines share their basic approaches in working with addicted persons and their understandings of the spiritual dimension in treatment and recovery. **Awe-filled Wonder** Barbara Fiand, 2014-05-14 All human longing for the Ultimate is rooted in the context of the time in which it arises. It formulates its vision out of the language and symbols of its age in order to present a time relevant approach to that which in spite of all our striving nevertheless and at all times remains holy Mystery. Fiand invites us to gaze at spirituality through the context of our own time and to use this new vision as a way to dialogue to explore to take back ownership of our personal God quest and to find food for the journey in each other and in God. Book Jacket. *Readings from the Perspective of Earth* Norman C. Habel, 2000-06-01 This volume introduces the hermeneutical approach and ecojustice principles developed by the Earth Bible project team. Following this approach, biblical scholars illustrate how a reading of the biblical text from the perspective of Earth yields fresh insights. Though the text may seem anthropocentric, these studies are able to retrieve evidence of the living voice and intrinsic value of Earth. It is an approach that can be harmonized with other recognized

critical approaches to the Bible from historical criticism to ecofeminist criticism The texts chosen are from many parts of the Bible Psalms Prophets Gospels Romans Revelation and the intertestamental literature Tobit and Wisdom of Solomon **God as Communion** Patricia Fox, 2001 God As Communion explores ancient and new meanings of the symbol of God as Trinity and brings the Christian traditions of West and East into dialogue Through an exploration of the works of two contemporary theologians Fox retrieves this central Christian symbol and uncovers its transforming power for the Church and world today
