**Women and War in the 21st Century** Margaret D. Sankey, 2018-08-17 Twenty three countries currently allow women to serve in front line combat positions and others with a high likelihood of direct enemy contact This book examines how these decisions did or did not evolve in 47 countries This timely and fascinating book explores how

different countries have determined to allow women in the military to take on combat roles whether out of a need for personnel a desire for the military to reflect the values of the society or the opinion that women improve military effectiveness or in contrast have disallowed such a move on behalf of the state In addition many countries have insurgent or dissident factions in that have led armed resistance to state authority in which women have been present requiring national militaries and peacekeepers to engage them incorporate them or disarm and deradicalize them This country by country analysis of the role of women in conflicts includes insightful essays on such countries as Afghanistan China Germany Iraq Israel Russia and the United States Each essay provides important background information to help readers to understand the cultural and political contexts in which women have been integrated into their countries militaries have engaged in combat during the course of conflict and have come to positions of political power that affect military decisions

**Women, Gender Equality, and Post-Conflict Transformation** Joyce P. Kaufman, Kristen P. Williams, 2016-10-04 The end of formal hostilities in any given conflict provides an opportunity to transform society in order to secure a stable peace This book builds on the existing feminist international relations literature as well as lessons of past cases that reinforce the importance of including women in the post conflict transition process and are important to our general understanding of gender relations in the conflict and post conflict periods Post conflict transformation processes including disarmament demobilization and reintegration DDR programs transitional justice mechanisms reconciliation measures and legal and political reforms which emerge after the formal hostilities end demonstrate that war and peace impact and are impacted by women and men differently By drawing on a strong theoretical framework and a number of cases this volume provides important insight into questions pertaining to the end of conflict and the challenges inherent in the post conflict transition period that are relevant to students and practitioners alike

Gender Roles in Peace and Security Manuela Scheuermann, Anja Zürn, 2019-08-09 This volume examines the specific gender roles in peace and security The authors analyse the implementation process of United Nations Security Council Resolution 1325 in various countries and discuss systemic challenges concerning the Women Peace and Security agenda Through in depth case studies the authors shed new light on topics such as the gender related mechanisms of peace processes gender training practices for police personnel and the importance of violence prevention The volume studies the role of women in peace and security as well as questions of gender mainstreaming by adopting various theoretical concepts including feminist theories concepts of masculinity organizational and security studies It also highlights regional and transnational approaches for the implementation of the Women Peace and Security agenda namely the perspectives of the European Union NATO the UN bureaucracy and the civil society It presents best cases and political advice for tackling the problem of gender inequality in peace and security

Gender, Race, and Power Joyce P. Kaufman, Kristen P. Williams, 2024-10-02 Kaufman and Williams present critical issues in international relations through an intersectional approach that examines race gender class ethnicity and power to arrive at better explanations for such core IR

issues as war and peace security human rights development and international political economy and the global environment Their approach builds on early calls amongst feminist IR theorists imploring Where are the women It is only fairly recently that students of IR have broadened the approach to the field to incorporate the dimensions of race ethnicity and class as well as gender Kaufman and Williams help guide readers exploring questions like How does gender matter for understanding war and peace How does race matter Where are the men What is intersectionality in IR How does an intersectional approach change or broaden our understanding of international relations

**The ^AOxford Handbook of Gender, War, and the Western World since 1600** Karen Hagemann, Stefan Dudink, Sonya O. Rose, 2020-10-30 To date war history has focused predominantly on the efforts of and impact of war on male participants However this limited focus disregards the complexity of gendered experiences with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of military culture examining the varied ideals and practices that have socially differentiated men and women s wartime experiences Covering the major periods in warfare since the seventeenth century The Handbook explores cultural representations of war and the interconnectedness of the military with civil society and its transformations

Gendering Knowledge in Africa and the African Diaspora Toyin Falola, Olajumoke Yacob-Haliso, 2017-07-14 Gendering Knowledge in Africa and the African Diaspora addresses the question of to what extent the history of gender in Africa is appropriately inscribed in narratives of power patriarchy migration identity and women and men s subjection emasculation

and empowerment The book weaves together compelling narratives about women men and gender relations in Africa and the African Diaspora from multidisciplinary perspectives with a view to advancing original ways of understanding these subjects The chapters achieve three things first they deliberately target long held but erroneous notions about patriarchy power gender migration and masculinity in Africa and of the African Diaspora vigorously contesting these and debunking them second they unearth previously marginalized and little known histories depicting the dynamics of gender and power in places ranging from Angola to Arabia to America and in different time periods decidedly gendering the previously male dominated discourse and third they ultimately aim to re write the stories of women and gender relations in Africa and in the African Diaspora As such this work is an important read for scholars of African history gender and the African Diaspora This book will be of interest to students and scholars of African Studies Diaspora Studies Gender and History
