The Third Jesus The Christ We Cannot Ignore:

The Third Jesus Deepak Chopra, M.D., 2009-05-19 Who is Jesus In The Third Jesus Deepak Chopra provides an answer that is both uplifting and challenging to current beliefs There is not one Jesus Chopra writes but three The first is the historical Jesus the man of flesh and blood who lived more than two thousand years ago The second Jesus is a person who never lived but is a figure created by the Church to represent thousands of years of theology and Church teaching Behind these two images stands a third Jesus the radical mystical teacher who taught his followers how to change the world In The Third Jesus Chopra explores Jesus original message revealing a spiritual guide of profound depth and inspiration that speaks to anyone who believes in the importance of peace and love By turning fresh eyes on the New Testament and returning to the essentials of Jesus message Chopra shows how the third Jesus can truly transform our lives and humanity **Green Kingdom Come!** Joe Grabill, 2009 Imagine Jesus walking throughout Galilee s lushness Hear him speak about rain falling on an Earth containing no enemies Laugh at the wit of Jesus Enter stories about his best friend Mary Magdalene Jesus used snakes and crows as teachers Wonder at the intelligence of animals including chimpanzees The Aramaic language of Jesus reveals earthy meaning His teachings examined in seventy sayings are compatible with sustainability Green Kingdom Come shows that the lifestyle and ministry of Jesus is green This book is the first to connect Jesus with our ecological crises today It features sustainable principles based on his sayings It suggests green practices and attitudes Green Kingdom Come weaves together science and religion A cross cultural appendix lists sixty sacred and secular names for the oneness of both Earth and universe systems Help create an Earth Community livable for all species a green kingdom come About the Author Joe Grabill is a retired professor of history and director of peace studies at Illinois State University He has made seven research trips to the Holy Land and has written the prize winning Protestant Diplomacy and the Near East He gives leadership to a project of planting trees called Children Elders Forest www.ceforest.org and to a community group Imagine Green Bloomington Normal www.bn.green.org *The God Dilemma* V.C. Thomas, 2009-08-25 Todays modern technology and scientific knowledge contradicts all religious dogma created in ancient times by ignorant and superstitious people who had just learned to write Modern science can test the strength of ones faith and it can make him a skeptic causing him to discard the religious beliefs of his family for generations past Deep religious experiences or self induced delusions can be explained by physical psychological biological and medical sciences today Evil or Sin is the result of social and mental conditions and can be corrected with education and medication today and without the help of an imaginary God To quote Mark Twain Faith is to believe in what you know for sure is not true The GOD Dilemma is an unscientific investigation to justify believing in religion today and in particular the Christian faith It argues that scientific and logical discussions about religion and the existence of God are futile however we cannot stop thinking about it Humans are maybe born with a faith in Gods existence and with a conscience that tells them which is morally and ethically right and which is not Author Thomas used to believe in religion

God and Christianity through his teenage years but even if he learned to ignore it during his 50 adult years he never consciously discarded his Christian faith He now shares his investigations and attempts to believe in Jesus Christ once again despite today's knowledge of the universe and evolution and by ignoring the sanctimonious behavior of fundamentalist US Christians In the international scene Thomas believes that the US wars since WWII cannot be justified by the life and the teachings of Jesus Christ There is an underlying moral claim by fundamentalist Christian Americans that its actions are justified by Jesus and Christianity The new phenomenon called Christian Zionism which requires the removal of Palestinians from their homeland to create and expand Israel to enable the second coming of Christ categorically contradicts the teachings of Jesus in the four Gospels Zionism is based on the Old Testament Bible OTB and Revelations in the New Testament both of which are scientifically ridiculous The OTB is also historically questionable about a God interacting with his only chosen people in Middle East and morally criminal God sponsored and assisted armed robbery and genocide to create Israel ancient and modern by today's legal and ethical standards Why has the life and teachings of Jesus Christ not produced universal love and non violence among Christians Why are American Christians the most active supporters of or not speaking out against the wars bombing and destruction by the USA since WWII Are Ashkenazi European Jews really the descendants of Semitic slaves from Egypt What were the reasons for anti-Semitism and the Holocaust in Christian Europe of the past Why is the European Union and the US punishing the Palestinians for the Holocaust crimes in Europe Can God's orders in the Bible be legally used by the United Nations to recreate Israel again in the 20th century after 3000 years by getting rid of Palestinians The book seeks to inform and provoke critical thinking of the readers through this investigation into religion and God and in particular the violent intolerant and self righteous behavior of Christians for centuries past and even in today's enlightened age using the source of the Christian religion the Bible **Bad Religion** Ross

Douthat, 2013-04-16 Traces the decline of Christianity in America since the 1950s posing controversial arguments about the role of heresy in the nation's downfall while calling for a revival of traditional Christian practices *Beauty as Action* Lisa Z.
