The Three Of Us Growing Up With Tammy And George:

The Three of Us Georgette Jones, 2011-07-05 GEORGE TAMMY IS NOW A LIMITED SERIES STARRING JESSICA CHASTAIN AND MICHAEL SHANNON Georgette Jones the only child of country music's First Couple George Jones and Tammy Wynette pens a memoir about life with her parents and the journey back to a relationship with her estranged father The marriage of George Jones and Tammy Wynette was hailed as a union made in honky tonk heaven And when little Tamala Georgette Jones was born in 1970 she was considered country music's heir apparent For the first four years of her life Georgette had two adoring parents who showed her off at every opportunity and between her parents grandparents older sisters and cheering fans Georgette's feet seldom hit the ground But as in every fairy tale dark forces were just around the corner Her parents fought and George drank George and Tammy divorced when Georgette was four and it would be years before she understood just what that meant *The Three of Us* is an honest and heartfelt look into the life of a broken family living in the glare of the public spotlight Like so many of her generation Georgette had to make sense of loving two parents who couldn't love each other With never before told stories about George and Tammy it recounts Tammy's descent into prescription pill addiction her dependence on her fifth husband George Richey and her untimely death at the age of fifty five Georgette opens up about her broken relationship with her father and what it took for them to come back together Lastly Georgette discusses the ups and downs of her adult life failed marriages illness an arrest and now an unexpected but thrilling career as a musician A story of both extreme privilege and great trials of larger than life people with larger than life problems *The Three of Us* is rich in country music history It is filled with twists and turns highs and lows but in the end it stands as an intensely moving tale of love loss heartbreak and what it means to be a family *George Jones* Bob Allen, 2023-10-03 George Jones's nearly 60 year recording and performing career has had a profound influence on modern country music and influenced a younger generation of singers including Garth Brooks Alan Jackson Randy Travis Tim McGraw and Trace Adkins As Merle Haggard said of Jones in *Rolling Stone* magazine His voice was like a Stradivarius violin one of the greatest instruments ever made Jones's saga is a larger than life tale of rags to riches and back to rags again He was born into near poverty in a backwater patch of East Texas His formal education ended early by his early teens he was singing on the streets of Beaumont Texas for tips After beginning to record in the mid 1950s Jones became by sheer dint of his vocal prowess one of Nashville's most celebrated honky tonk singers But from the start Jones's life as often reflected in his music was shaped by misdirection chaos turmoil and emotional strife aggravated by a ferocious appetite for alcohol Fame and adulation seemed to merely intensify his personal travails Jones's story has a relatively happy ending With the help of fourth wife Nancy during the final decade and a half of his life he got clean and sober was feted as a much revered elder statesman for the music and by most accounts found peace of mind at long last *Why Tammy Wynette Matters* Steacy Easton, 2023-05-09 How Tammy Wynette channeled the conflicts of her life into her music and performance With hits such as

Stand By Your Man and Golden Ring Tammy Wynette was an icon of American domesticity and femininity But there were other sides to the first lady of country Steacy Easton places the complications of Wynette s music and her biography in sharp edged relief exploring how she made her sometimes tumultuous life into her work a transformation that was itself art Wynette created a persona of high femininity to match the themes she sang about fawning devotion redemption in heterosexual romance the heartbreak of loneliness Behind the scenes her life was marked by persistent class anxieties despite wealth and fame she kept her beautician s license Easton argues that the struggle to meet expectations of southernness womanhood and southern womanhood finds subtle expression in Wynette s performance of Apartment 9 and it s because of these vocal subtleties that it came to be called the saddest song ever written Wynette similarly took on elements of camp and political critique in her artistry demonstrating an underappreciated genius Why Tammy Wynette Matters reveals a musician who doubled back on herself her facade of earnestness cracked by a melodrama that weaponized femininity and upended feminist expectations while scoring twenty number one hits *The Sallie House Haunting* Debra Lyn

Pickman,2024-11-06 The real story behind one family s paranormal nightmare in a small Kansas house The thing started to move closer to me and as it did I could make out more details Her hand was covered in a long black lace glove as it got within inches of my face I saw a black bird on her finger I struggled out of bed and over to the door but I couldn t get the door open This is the firsthand account of what Tony and Debra Pickman and their newborn son Taylor experienced in the now notorious Sallie House from the day they moved in to the turn of the century haunted house until they finally fled in terror The story of the Sallie House and the fire starting ghost girl who haunted it has sparked endless rumors and theories of murder cover ups racism and abuse But the Pickmans know the real story because they lived it and barely made it out alive Now for the first time Tony and Debra reveal untold stories from their ordeal They describe Sallie s seemingly protective fascination with their baby and tell what it was like to live with menacing entities that scratched bit and terrorized their family Along with historical research the Pickmans share personal photographs and journal entries from their time spent living in the nightmare house that still haunts them today *New Books on Women and Feminism* ,2014 **Talking**
