

The Titans Of Takeover The Titans Of Takeover

Mark L. Sirower

The Titans Of Takeover The Titans Of Takeover:

The Titans of Takeover Robert Slater, 1999 The story told in The Titans of Takeover is that of the corporate raiders the men who in the 1980s discovered great financial opportunities in seizing control of someone else's business often at bargain prices With millions of dollars at stake these raiders aroused massive public attention and depending on point of view were for a while either the villains or the saviors of American business The book looks not only at the raiders but also at other featured players in the takeover game the investment bankers attorneys and arbitrageurs Profiled in these pages are the leading figures in the American takeover field including T Boone Pickens Carl Icahn Saul Steinberg and Ted Turner as well as such behind the scenes personalities as lawyers Martin Lipton and Joseph Flom investment bankers Joseph Perella and Bruce Wasserstein and arbitrager Ivan Boesky Book jacket

American Tabloid Media and the Satanic Panic, 1970-2000 Sarah A. Hughes, 2021-10-27 This book examines the satanic panic of the 1980s as an essential part of the growing relationship between tabloid media and American conservative politics in the 1980s It argues that widespread fears of Satanism in a range of cultural institutions was indispensable to the development and success of both infotainment or tabloid content on television and the rise of the New Right a conservative political movement that was heavily guided by a growing coalition of influential televangelists or evangelical preachers on television It takes as its particular focus the hundreds of accusations that devil worshippers were operating America's white middle class suburban daycare centers Dozens of communities around the country became embroiled in trials against center owners the most publicized of which was the McMartin Preschool trial in Manhattan Beach California It remains the longest and most expensive criminal trial in the nation's history

The Synergy Trap, Asia-Pacific Edition Mark L. Sirower, 2010-06-15 Every CEO and Corporate Director who has been in the path of the WOW GRAB IT acquisition locomotive should read this book Charles R Shoemate Chairman and CEO Bestfoods With global acquisition activity running into the trillions of dollars the acquisition alternative continues to be the favorite corporate growth strategy of this generation's executives Unfortunately creating shareholder value remains the most elusive outcome of these corporate strategies After decades of research and billions of dollars paid in advisory fees why do these major decisions continue to destroy value Building on his groundbreaking research first cited in Business Week Mark L Sirower explains how companies often pay too much and predictably never realize the promises of increased performance and competitiveness in their quest to acquire other companies Armed with extensive evidence Sirower destroys the popular notion that the acquisition premium represents potential value He provides the first formal and functional definition for synergy the specific increases in performance beyond those already expected for companies to achieve independently Sirower's refreshing nuts and bolts analysis of the fundamentals behind acquisition performance cuts sharply through the existing folklore surrounding failed acquisitions such as lack of strategic fit or corporate culture problems and gives managers the tools to avoid predictable losses in acquisition decisions Using several detailed examples of recent major

acquisitions and through his masterful integration and extension of techniques from finance and business strategy Sirower reveals The unique business gamble that acquisitions represent The managerial challenges already embedded in current stock prices The competitive conditions that must be met and the organizational cornerstones that must be in place for any possibility of synergy The precise Required Performance Improvements RPIs implicitly embedded in acquisition premiums and the reasons why these RPIs normally dwarf realistic performance gains The seductiveness and danger of sophisticated valuation models so often used by advisors The Synergy Trap is the first expose of its kind to prove that the tendency of managers to succumb to the up the ante philosophy in acquisitions often leads to disastrous ends for their shareholders Sirower shows that companies must meticulously plan and account for huge uncertainties before deciding to enter the acquisition game To date Sirower s work is the most comprehensive and rigorous yet practical analysis of the drivers of acquisition performance This definitive book will become required reading for managers corporate directors consultants investors bankers and academics involved in the mergers and acquisitions arena *Collecting the Now* Michael

Maizels,2022-08-09 *Collecting the Now* offers a new in depth look at the economic forces and institutional actors that have shaped the outlines of postwar art history with a particular focus on American art 1960 1990 Working through four case studies Michael Maizels illuminates how a set of dealers and patrons conditioned the iconic developments of this period the profusions of pop art the quixotic impossibility of land art the dissemination of new media and the speculation fueled neo expressionist painting of the 1980s This book addresses a question of pivotal importance to a swath of art history that has already received substantial scholarly investigation We now have a clear nuanced understanding of why certain evolutions took place why pop artists exploded the delimited parameters of aesthetic modernism why land artists further strove against the object form itself and why artists returned to neo traditional painting in the 1980s But remarkably elided by extant scholarship has been the question of how How did conditions coalesce around pop so that its artists entered into museum collections and scholarly analyses at pace unprecedented in the prior history of art How when seeking to transcend the delimited gallery object were land artists able to create monumental and by extension monumentally expensive interventions in the extreme wilds of the Western deserts And how did the esoteric objects of media art come eventually to scholarly attention in the sustained absence of academic interest or a private market The answers to these questions lie in an exploration of the financial conditions and funding mechanisms through which these works were created advertised distributed and preserved *When the Wolves Bite* Scott Wapner,2018-04-24 The inside story of the clash of two of Wall

Street s biggest richest toughest most aggressive players Carl Icahn and Bill Ackman and Herbalife the company caught in the middle With their billions of dollars and their business savvy activist investors Carl Icahn and Bill Ackman have the ability to move markets with the flick of a wrist But what happens when they run into the one thing in business they can t control each other This fast paced book tells the story of the clash of these two titans over Herbalife a nutritional supplement

company whose business model Ackman questioned Icahn decided to vouch for them and the dispute became a years long feud complete with secret backroom deals public accusations billions of dollars in stock trades and one dramatic insult war on live television Wapner who hosted that memorable TV show has gained unprecedented access to all the players and unravels this remarkable war of egos showing the extreme measures the participants were willing to take When the Wolves Bite is both a rollicking entertaining read a great business story of money and power and pride *The Public Company Transformed* Brian Cheffins,2018-09-28 For decades the public company has played a dominant role in the American economy Since the middle of the 20th century the nature of the public company has changed considerably The transformation has been a fascinating one marked by scandals political controversy wide swings in investor and public sentiment mismanagement entrepreneurial verve noisy corporate raiders and various other larger than life personalities Nevertheless amidst a voluminous literature on corporations a systematic historical analysis of the changes that have occurred is lacking The Public Company Transformed correspondingly analyzes how the public company has been recast from the mid 20th century through to the present day with particular emphasis on senior corporate executives and the constraints affecting the choices available to them The chronological point of departure is the managerial capitalism era which prevailed in large American corporations following World War II The book explores managerial capitalism s rise its 1950s and 1960s heyday and its fall in the 1970s and 1980s It describes the American public companies and executives that enjoyed prosperity during the 1990s and the reversal of fortunes in the 2000s precipitated by corporate scandals and the financial crisis of 2008 The book also considers the regulation of public companies in detail and discusses developments in shareholder activism company boards chief executives and concerns about oligopoly The volume concludes by offering conjectures on the future of the public corporation and suggests that predictions of the demise of the public company have been exaggerated **The Synergy Trap** Mark L. Sirower,1997 This groundbreaking study cited in Business Week explains how companies often pay too much and never realize goals of increased performance and market strength in their quests to acquire other companies By examining such variables as method of payment and strategic relatedness Sirower provides the first formal definitions for synergies 10 illustrations **Encyclopedia of White-Collar and Corporate Crime** Lawrence M. Salinger,2013-06-14 Since the first edition of the Encyclopedia of White Collar and Corporate Crime was produced in 2004 the number and severity of these crimes have risen to the level of calamity so much so that many experts attribute the near Depression of 2008 to white collar malfeasance namely crimes of greed and excess by bankers and financial institutions Whether the perpetrators were prosecuted or not white collar and corporate crime came near to collapsing the U S economy In the 7 years since the first edition was produced we have also seen the largest Ponzi scheme in history Maddoff an ecological disaster caused by British Petroleum and its subcontractors Gulf Oil Spill and U S Defense Department contractors operating like vigilantes in Iraq Blackwater White collar criminals have been busy and the Second Edition of this

encyclopedia captures what has been going on in the news and behind the scenes with new articles and updates to past articles Dune: The Butlerian Jihad Brian Herbert, Kevin J. Anderson, 2003-09-15 Science fiction roman **Corporate Governance** Robert A. G. Monks, Nell Minow, 2008-03-07 The new edition of this successful text offers an indispensable guide to the key concepts of corporate governance every student and business professional should know It includes more exercises and student questions penetrating analysis of the latest examples of corporate failure and controversy and the lively cases in point which have characterized previous editions Features 16 case studies of corporations in crisis including General Motors American Express Time Warner IBM and Premier Oil Contains an invaluable web link to The Corporate Library the leading independent research firm dedicated to corporate governance Includes an Appendix with an overview of CG Guidelines and Codes of Best Practice in Emerging Markets

Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of The Titans Of Takeover The Titans Of Takeover eBooks, including some popular titles.

FAQs About The Titans Of Takeover The Titans Of Takeover Books

What is a The Titans Of Takeover The Titans Of Takeover PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Titans Of Takeover The Titans Of Takeover PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Titans Of Takeover The Titans Of Takeover PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Titans Of Takeover The Titans Of Takeover PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Titans Of Takeover The Titans Of Takeover PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
