The Union Belle House Of Winslow Book 11:

The Union Belle (House of Winslow Book #11) Gilbert Morris, 2005-05-01 As the nation recovers from the Civil War Sky and Rebekah Winslow's wayward son Mark is slowly making his way north through Texas after his release from a Mexican prison. Headed for Omaha to work for the Union Pacific Railroad he is forced to shoot a man then thrown into jail to await his prison sentence. In a small Texas town where justice will not be served Mark's only hope is the young woman whom he defended. Lola Montez had attempted to escape the horrible saloon life she inherited from her mother but she was held there by circumstances beyond her control. When Mark Winslow stopped her attacker he also became her ticket out of town. If Lola can break him out of jail surely he will take her with him to look for her father in Omaha. But a jailbreak is a small matter compared to what they will face. Mark becomes a trouble shooter for the Union Pacific responsible for law and order in the towns that spring up as the transcontinental railroad heads west and he must live by his gun. Lola must live by her iron heart and find her way in a West where only the strong survive. While treachery, betrayal, and sabotage lie before them so does an unexpected confrontation with a kingdom not of this world. *House of Winslow Book 11* **The House of Winslow**
