

KEVIN C. BENNETT

The book cover features a split composition. On the left, a man with brown hair and a beard, wearing a dark green tunic, looks intensely at the viewer. On the right, a man with dark hair and sunglasses, wearing a dark suit and tie, also looks forward. A large, ornate sword with a green blade and a silver hilt is positioned vertically between them. The background is a collage: the left side shows a sunset sky with a jet and a UFO, and a pyramid in the distance; the right side shows a dark, stormy sky with a house and bare trees. The title 'THE THIEF AND THE SACRIFICE' is written in a stylized, outlined font across the bottom, with 'AND' in a smaller script font between 'THIEF' and 'SACRIFICE'.

The Thief and the Sacrifice Kevin C. Bennett, 2015-05-30 If you could travel through time and space what would that power do to you to your soul Imprisoned and left to die during WWII American G I Floyd Sandburg finds what could be deliverance in the form of an ancient artifact the Lens which allows him to traverse time and space After catching the attention of the Organization a mysterious group that may run governments from behind the scenes on Earth Floyd uses the Lens and crash lands in an incredibly strange world Separated from the Lens Floyd must evade capture and a gruesome death at the hands of hedonistic bloodthirsty giants and the extra dimensional entities who control them the same who run the sinister Organization Floyd s very soul hangs in the balance as he is thrown into the middle of a conflict spanning ages He questions reality convinced he is dreaming while suffering a slow death in that Nazi prison Can his brother Chase convince him what is real and help him find the truth in time to save not only Earth but his own soul What has been will be Whichever path he takes his choice will have consequences of Biblical proportion , Stories from Panchatantra Shivkumar, 1979 The Panchatantra originally written in Sanskrit has been described as the best collection of the most widely known stories in the world John Chrysostom, Theologian of the Eucharist Kenneth J. Howell, 2024-06 Despite the fact that John Chrysostom wrote more on the Eucharist than any other Greek Church Father there has never been a full treatment of his doctrine in English In this book Kenneth Howell brings together a wide array of sources from which he develops a many sided portrait of Chrysostom s eucharistic thought While the Antiochene preacher assumed the real presence and the sacrificial nature of the Eucharist he focused more on the moral and spiritual implications of communion At the root of his theology lies the conviction that the Eucharist with its home in the liturgy is the extension of Christ s incarnate life through space and time All that Christ accomplished in his life death and resurrection is present and available to the communing Christian who stands in union with the angelic hosts in the liturgy of the church John s preaching at times reaches encomiastic proportions as he never tires of praising the benefits and power of the Eucharist and he deftly applies the sacrament to the struggle of virtue and vice as he explores both the invitation and the obstacles to communion Among the moral implications of the Eucharist John seems to distinguish well between sins arising from human weakness versus malicious dispositions freely chosen He is especially keen to exhort his hearers to lay aside the remembrance of evil mnesikakia done to them in their past lives Humility and forbearance are two essential virtues in arriving at forgiveness of past injuries And lack of forgiveness is like greed in that both constitute a turn in on oneself The Eucharist demands love of neighbor and active ministry to the less fortunate of the world For John God is interested in golden souls more than golden chalices **The Poetical Works of Robert Southey** Robert Southey, 1860 **The Curse of Kehama** Robert Southey, 1853 The Poetical Works of Robert Southey, Collected by Himself Robert Southey, 1860 **The Curse of Kehama ...
